## GUIDELINES FOR CLUB RIDES

NYCC rides are intended to be friendly group rides; we don't like to "drop" or lose anyone. Riders whose physical or bicycle condition seem inadequate for the ride are to be turned back by the leader. Our leaders are truly reluctant to do this, so please cooperate with them:

- 1) Select rides within your capabilities - avoid downgrading the ride for your fellow riders and stressing yourself "trying to keep up"; or, conversely, demanding a faster pace than advertised.
- 2) Be on time or a bit early. Rides will leave promptly.
- 3) Have your bike in good condition: both brakes working, properly inflated tires, adjusted derailleurs, no loose parts.
- 4) Bring water, snacks, spare tube, patch kit, pump and lights for after dark.

## RIDE CLASSIFICATIONS

		<u>Riding Pace</u>
"A+":	ANIMALS: Anything goes. Eat up roads, hills and all.	17+ mph
"A":	SPORTS(WO)MEN: Vigorous riding over hill and dale. High regard for good riding style. Can take care of themselves anywhere. Stops every two hours or so.	14-17 mph
"B":	TOURISTS: Moderate to brisk riding along scenic roads, including hills; destination not so important. Stops every hour or two.	11-14 mph
"C":	SIGHTSEERS: Leisurely to moderate riding. Destination oriented: nature, historical, cultural. Stops every half to one hour.	8-11 mph
"D":	BEGINNERS: Very leisurely sightseeing. Discovering bike and their bodies; training up to "C". Frequent stopping and regrouping. Do not believe reports of mere mortals riding 100 miles or more in a day.	less than 8 mph

Any member may lead a ride. See the respective Ride Coordinator to submit a Ride Listing form.

"B+/A-"  
DIAL-A-RIDE Leader: Lee Gelobter (646-7037). Every Saturday and Sunday a small group of B+ and A- riders do a trip ranging from 65-100 miles at a 15-17 miles per hour pace. All trips include a lunch stop. The rides begin at the Tramway Plaza on Second Ave. at 59th St. Call Lee Thursday or Friday evenings from 6:00 to 11:00 pm (no later, please) for starting time and further information.

8:30 am  
"A" LEADERLESS RIDE Meet at the Central Park Boathouse at 8:30 am for an "A" ride, usually 50 to 70 miles. Destination decided by the riders who show up. For those wanting to try an "A" ride, this is an excellent opportunity. As there is no leader, everyone is responsible for themselves.

Sat-Mon  
Jul 3-5  
"A" 200 mi  
BANTAM LAKE WEEKEND Leader: Bill Vojtech (339-1308). The previously scheduled ride to Bantam Lake is cancelled because the motel can't accommodate us. I may go to the Bantam Lake Youth Hostel myself on this weekend, but my plan will be spur of the moment, and very weather dependent; I've ridden enough in the rain this year. If you are interested, call me a day or two before to set a meeting time and place.

Sun Jul 4  
"A" 125 mi  
PUTNAM COUNTY SCOUT Leader: Ed Schweber (567-2661). Many of our regular "A" riders and leaders will be otherwise engaged on this three day weekend. Ed, who must work on Monday (poor boy!) will be stranded in the City and will be using this time to scout one of his typically scenic, but hilly, rides- this time into Putnam County. He will go at least as far as Lake Oscawana, and perhaps a bit beyond to Fahnestock Park. Any and all company is welcome. Call Ed to make arrangements. Be careful though, or you may end up co-leading this ride in August.

Sat Jul 10  
"A+" 75 mi  
9:00 am  
BAYVILLE, LONG ISLAND Leader: Dennis Hultay (765-5700, days). meet at the Central Park Boathouse for a very fast ride to and from Bayville, Long Island. There will be a long break and possible swim (bring a bathing suit) at Bayville. Leader will provide maps.

- Sun Jul 11 /  
"C" 30 mi  
10:15 am     **SPRING RIDE TO KINGSLAND POINT PARK...TAKE TWO** Leaders: Maggie Clark (567-8272) and Martin Karrin (770-5877, days). Meet at 10:15 am at Dyckman Street and Broadway in upper Manhattan. There is a small triangular park at this intersection, where we will gather. Meeting place is easily accessible via the "A" subway (200th St. stop) or the number 1 subway (Dyckman St. stop, walk a few blocks to Dyckman and Broadway). We'll do a lovely ride up the east side of the Hudson River, past beautiful views of the Palisades and some lovely mansions to a pleasant little park on a spit of land right in the Hudson River. Bring or buy lunch. Also bring spare tube, patch kit, pump and lock. For further information, call Maggie evenings.
- Sun Jul 11 /  
"B" 65 mi  
9:00 am     **LONG WESTBURY BREEZE** Leaders: Ed and Sara Flowers (544-9168), Eric Gertner (989-1176) and Paul Grieder (261-0543). This ride takes about 5 1/2 hours over moderately hilly-rolling terrain through beautiful north shore country, with lunch at Bayville on the beach. The ride leaves at 9:00 am from 111-50 76th Rd. (in front of the Flowers' apartment house). Take the "E" train to the 75th Ave. stop. Walk east 1 1/2 blocks on Queens Blvd. and turn right by Linhoff's Restaurant to get to 111-50.
- Sun Jul 11 /  
"B" 75 mi  
9:00 am     **SCENIC RIDE TO ROCKLAND LAKE** Leader: David C. Miller (home: 794-9365; work: 594-5267). Meet at the Central Park Boathouse for a very scenic ride to Rockland Lake and across Lake DeForest. We will ride on the bike path through the woods in Tallman State Park, then onwards through Nyack where we will ride under the Palisades on the bikeway through Nyack State Park, which will bring us to Rockland Lake. We will enjoy the view of Rockland Lake and then proceed to a small city park at the southern end of Congers Lake for lunch. Please bring your lunch. There are no places to buy food near the lunch stop! Across Lake DeForest and around Lake Tappan we will return to the George Washington Bridge. We should be back at the Central Park Boathouse by 6:00 pm. There are a few steep hills, so be prepared with low gears.
- Sun Jul 11 /  
"A" 120 mi  
6:30 am     **CENTURY TO NEW HOPE, PENNSYLVANIA** Leader: Steve Bauman/AYH (431-7100). Meet Steve at 6:30 am at City Hall in Manhattan for a 120 mile ride to one of the most picturesque towns in the east. And if you don't spend all day in New Hope, you may even earn a patch. All riders must bring 60 cents in change for the PATH train, and about \$14 for emergency transportation, as well as money for lunch or a few sandwiches, and the necessary repair items for flat tires. You must complete the trip in less than 12 hours and have your current AYH pass with you in order to receive a patch.
- Sat Jul 17  
"A" 85 mi  
8:30 am     **CROTON RESERVOIR** Leader: Ed Schweber (567-2661). Meet at 8:30 am at the Central Park Boathouse for one of Ed's scenic, but hilly rides around part of the Croton Reservoir and past the Teatown Lake Reservation. There will be deli stops in Millwood and Ossining. Eat a good breakfast before coming out.
- Sun Jul 18  
"C" 20 mi  
8:30 am     **THE MAYOR'S SPECIAL** Leader: Gregory D'Agostino (272-4271, eves). Meet at 8:30 am in front of Gracie Mansion at E.88th St. and East End Ave. in Manhattan (take the number 4,5 or 6 subways 86th St., ride east a few blocks to East End Ave.) This will be a short, easy Manhattan tour with plenty to stop and see along the route. We'll be cycling through Sutton Place, Turtle Bay, then a detour to Roosevelt Island via the tramway, then past the U.N., through Greenwich Village and the Wall Street area, and finally back to Gracie Mansion. Bring lunch for a picnic at Battery Park. Also bring the usual lock, patch kit, spare tube, etc.

Sun Jul 18 ✓ MARKED CLUB ROUTE, BACKWARDS Leader: David C. Miller (home: 794-9365; work: 594-5267). Meet at the Central Park Boathouse for a new ride. All of you that enjoy the 50 mile marked route from the George Washington Bridge and are bored with seeing the same scenery will like this ride. Riding it backwards, you won't even recognize the route. All up hills will be down, but all down hills will be up. Easier or harder? I don't know, but it will be fun. Please bring your lunch. We will not be stopping at the same place for lunch. There are a few hills on this ride, so be prepared with low gears. We should be back at the Boathouse by 5:00 pm.

Sun Jul 18 SEVEN LAKES DRIVE Leader: Gary Krzynowek (931-5367). Meet at the New York side of the George Washington Bridge for a ride up Route 9W to West Haverstraw where we will have breakfast at a diner. Our return will be through Bear Mountain, down Seven Lakes Drive and past Suffern.

Sat Jul 24 / THREE RESERVOIR RIDE Leaders: Bill Lenihan and Connie Orentlicher (928-3931). Meet at the Central Park Boathouse (or at the Broadway Bridge at 8:45 am) for a ride to the town of Croton where we will make a deli stop. After a brief sightseeing stop at the Croton Dam, we will proceed to the Kensico Dam and on to Valhalla for a second deli stop, and then past the Tarrytown Reservoir.

Sun Jul 25 ALL CLASS CLUB RIDE TO OLD BETHPAGE PARK Choose one of four rides, ranging from "C" to "A+", 45 to 100 miles, from New York City to Old Bethpage Park on Long Island, arriving at 1:30 pm for lunch and socializing with the rest of the Club. Either bring your lunch, buy it at a nearby delicatessen or eat in the Park cafeteria.

"C" 45 mi "C" Leader: Amy Weinstock (869-3050). Meet at 10:00 am at 179th St. and Hillside Avenue in Queens (the last stop on the "F" line, which is also the best way to get there). We will ride at a leisurely pace out Long Island to Old Bethpage Park in Nassau County, where we'll meet the rest of the Club for a picnic at 1:30 pm. You'll finally get to see some of those hotshot "A" and "B" riders in their biking clothes! Amy will be assisted in leading the ride by Joe and Linda Sproviero. Bring a lock, spare tube, patch kit, etc. We'll return to our starting point by late afternoon. For further information, call 869-3050 to leave your name and phone number. You must ask for Amy Weinstock so that she can call you back.

"B" 65 mi The "B" ride is combined with the scheduled LONG WESTBURY BREEZE ride. Leaders: Ed and Sara Flowers (544-9168), Eric Gertner (989-1176) and Paul Grieder (261-0543). This ride takes about 5 1/2 hours over moderately hilly-rolling terrain through beautiful north shore country, with lunch at Old Bethpage Park. The ride leaves at 9:00 am from 111-50 76th Rd. (in front of the Flowers' apartment house). Take the "E" train to the 75th Ave. stop. Walk east 1 1/2 blocks on Queens Blvd. and turn right by Linhoff's Restaurant to get to 111-50.

"A-" 100 mi "A-" Leader: Gloria Lasoff (879-6199). Meet at the Central Park Boathouse at 7:30 am for a more moderately paced version of the "A+" ride through the scenic north shore of Long Island. There will be a breakfast stop in Syosset and a deli stop near Old Bethpage Park.

"A+" 100 mi "A+" Leaders: Mike DeLillo (456-8742) and Mort Schneiderman (846-5960). Meet at the Central Park Boathouse at 7:30 am for a ride through the scenic north shore of Long Island. There will be a breakfast stop at Friendly's in Syosset and a deli stop near Old Bethpage Park.

Sat Jul 31 KENSICO ROUNDABOUT Leader: Frank Petralito (home: 425-1979; work: 770-5236). Are the "A" rides too fast and the "B" rides too slow? Try this ride (rescheduled from June because of rain). We will meet at the Central Park Boathouse for a scenic ride to the Kensico Reservoir and on to Armonk for breakfast. The return route will include a pretty bike path along a stretch of the Bronx River Parkway.

Sun Aug 1 ✓ BEAR MOUNTAIN Leader: Bill Cooper (935-4550, days). Meet at 178th St. and  
 "B+/A-" Broadway for a ride up the east side of the Hudson via Anthony's Nose to  
 90 mi Bear Mountain and down the west side of the Hudson. There will be a lunch  
 7:30 am stop at the Bear Mountain Inn.

Sun Aug 1 ✓ LAKE HOPATCONG Leaders: Jim Rex (278-5562) and Ed Schweber (567-2661).  
 "A+" 140 mi Meet at the Central Park Boathouse for a prompt 6:00 am (yes, 6:00 am)  
 6:00 am departure. Lake Hopatcong is a pretty resort lake on the border between  
 Morris and Sussex Counties. The route, an amalgam and extension of parts  
 of Ed's Morristown Meander and Greenwood Lake routes, goes via the George  
 Washington Bridge and approaches the Lake from the north. It is very  
 scenic, but not exactly flat. There will be a breakfast stop after about  
 35 miles and two subsequent deli stops. In order to complete our appointed  
 rounds before darkness, riders who show early signs of being unable to keep  
 the pace will be turned back. Maps will be available. Alternate pick-up  
 at the New York side of the George Washington Bridge at 6:40 am.

SELL! TRADE! AUCTION! GIVE AWAY!  
OR BUY....

Stop! Don't throw away that short Zefal pump! Don't make a hanging sculpture out of your 'like-new' rims! Don't make a head rest out of the buckram saddle that pulls your wool riding shorts down! Don't despair of being able to replace your khaki green bike with a bike in this year's fashion color--fuchsia! Don't assume nobody wants the handle bar cover your favorite aunt crocheted for you.

SELL IT! TRADE IT! AUCTION IT OFF! GIVE IT TO THE NEEDY!

Bring your extra bikes, gear, gears, clusters, clothes, books, magazines to the July meeting to sell or trade. Or, come and take advantage of some great bargains. You may sell personally or take advantage of a few glib-tongued club members (for a small per centage, of course).

For names of salespersons or to be assured a definite selling time or location, call me at 544-9168 (evenings) or 921-4317 (days) before the day of the sale--by July 6, if possible. See you July 13 at Artemis Restaurant, 76 Duane Street (just off Broadway, two blocks north of City Hall) at 6:00 PM.

# DIRE PREDICTIONS

One of the little-known side effects of too many "A+" rides:

SCENE AT GEAR-UP (GREAT EASTERN RALLY) 1982, JUNE 4-6, SHIPPENSBURG STATE COLLEGE, PA.  
By "Cyclops"

Two cool overcast perfect-for-biking days sandwiched a rainy Saturday. One percent of the over 2,100 participants were NYCC'ers! and were observed as follows:

Monitoring the snackbar where there was free ice-cream until 11 p.m. Thursday night--MARTHA RAMOS. Friday morning, after five hours sleep, asked what ride he was going on, RICHARD HANAK replying, "Back to bed." On the l-o-n-g food lines--MARION BAHENSKY, with her AMC court, including DEBBY BELL--and STEVE BAUMAN in orange 5BBT T-shirt (yellow is out!).

Workshops: there were approximately 30. Giving workshops (and presumably getting rewarded)--IRV WEISMAN, on wide-range gearing, and rider classification--and BILL HOFFMAN, on the East Coast Bicycle Trail, also giving an Effective Cycling Instructors' Road Test. Attending the workshop on the orthopedic and neurological aspects of bicycling--BARBARA SILVERSTEIN.

Food (unusual for GEAR) uniformly poor! So, snacking on a cheeseburger after eating the bag lunch--BILL ("I don't care about quality, just give me quantity") VOJTECH. And "apprehended" leaving dinner with a bagful of goodies for a late-evening snack--IRENE WALTER.

Saturday, 7 p.m., in the front row of the wedding of two cyclists who met at GEAR-Up last year, snapping pictures--MARGARET and TONY BARONE. (The whole wedding party, dressed in scruffy! cycling clothes, bicycled down the outdoor "aisle." After the ceremony, the bride and groom, in matching gray cycling shorts and jerseys, rode off on a tandem. PM Magazine was there.)

At the Saturday evening program--MARSHA TAGGART, red-shirted DAVE VEDER, HERB SCHAEFER. Entertainment: Dan Burden on China, Dan Henry on the rollers, 51 door prizes, square-dancing.

Listed as GEAR-Up participants but not personally observed (they must have gone to restaurants? bowling?)--RICHARD HERBIN, HANNAH HOLLAND, GEORGE BORGIDA.

Rides: 22, and very well marked. On the Titanic "Century" (31 miles, moderate--all the rides were called centuries!), smelling the flowers and enjoying the environment on the gentle 3½-mile climb--ROZ GOLDSTEIN. And whizzing down the 3½ miles--vacationing GLORIA LASOFF and CHRIS MAILING (blonde stubble flying).

Just before the 220-mile car-ride back Sunday, "picking wild strawberries" (what will they call it next?)--PEG MUNVES and MOY WONG.

Next year's GEAR-Up: Memorial Day Weekend, May 27-30, at Slippery Rock, Pa. (only 35 miles east of Youngstown). Registration cutoff: 2,200. Although there's plenty of good cycling left between the ship and the slip, GEAR is GREAT, and "the eye" hopes to see you there!

## Board of Directors Meeting

### SUMMARY OF MINUTES (UNAPPROVED):

1. Irene Walter reported that she sent an NYCC letter to Governor Carey, urging him to sign the Bottle Bill.
2. The board discussed Martha Ramos' planned articles in the bulletin on transporting bicycles on the subway.
3. Lorraine Gewirtz's proposal to purchase NYCC iron-ons, apply them to T-shirts, and sell them at membership meetings, was relayed and approved.
4. The all-class club ride on 7/25 to Old Bethpage Park was discussed. Details will be ironed-out by the rides committee.
5. Ed Schweber said he would like to have both A+ and A- rides on the same day, not necessarily going to the same place.
6. Jim Rex asked that the ride results with the leaders' names be published regularly rather than at the end of the year.
7. The next board meeting will be held July 6, 1982.

Copies of the complete, approved minutes are available from Irene Walter.

GOOD NEWS: All of our screaming and yelling (and letter writing) finally paid off.

Gov. Carey signed the Bottle Bill into law. If that isn't enough good news then listen to this; the Landmarks Commission finally listened to reason and approved the fully ramped plan for the Brooklyn Bridge. In addition, bridge access will continue while the main span is under reconstruction. Go ahead, pinch yourself; you are not dreaming.

BAD NEWS: I hate to rain on the parade, but the State would like to take away the Queensboro Bridge Bike Lane during the planned repair work. It is not clear if they ever plan to return to full time access for bikes.

WRITE to your state representatives and the State DOT; we won our other battles, we can win this one.

REWARDED IS FORWARDED.

By Irene Walter

More than 90 bike-related summonses were issued in Manhattan in March 1982 (the latest month for which figures are available), and the number "should go up" with the warm weather, says Larry Reilly, Bicycle Coordinator, New York City Department of Transportation.

Forty-two cyclists were given summonses for: running red lights (24 summonses), riding the wrong way (17), and lack of bell or horn (1).

Forty-nine motorists were given summonses for obstructing the bikelanes.

The bikelanes, high accident and other sites are patrolled by two NYC police officers and six traffic enforcement agents. The DOT is seeking to increase their number.

The fine for a bicycle regulation violation is usually about \$15. Jimmy Rex got one last year for \$25.

NYC's "rules of the road" are available by sending a self-addressed stamped envelope to the NYC DOT, 51 Chambers Street, Room 1225, NY NY 10007.
