September Opportunities

FROM THE PRESIDENT — GENE Vezzani

Opportunity #1 — In Grateful Remembrance

Sid Lang, the founder of the New York Cycle Club, died on June 20, 1998.

During a phone conversation last year, Sid explained that our organization started out as a hiking club in 1935. Two years later he realized that he could go further and faster if he got on a bicycle. Therefore, in 1937 the New York Cycle Club officially came into existence.

The first ride listings, Sid went on to say, were published weekly in the Friday edition of a local New York City newspaper. As recently as last year Sid said that he still enjoyed an occasional short spin on his bicycle.

Let's all take a quiet minute to say a thank you to Sid Lang in our own way.

Opportunity #2 — Thank You Dona and Anne!

The July 25th All Class Ride Cookout was an outstanding post-ride event! The All Class ride leaders brought their groups to a reserved picnic area in a park on Roosevelt Island that featured a magnificent East River view. Dona Kahn and Anne Grossman out-did themselves by arranging a full-blown smorgasbord style dinner. Just some of the treats for club members included roast herb chicken, grilled hamburgers, basil-mozzarella-tomato salad, cole slaw, tortellini salad, potato salad, tortilla chips with salsa, fresh fruit salad, assorted cheeses, breads, rolls, pastries, cookies, and a variety of cold drinks. We all had to roll ourselves back home.

We thank Dona and Anne for the many hours that they invested planning and delivering the best-ever post-ride party. (But who are those two rascals on the right? — Ed.)

Opportunity #3 — Sneak Preview of New Design for NYCC Jersey

All of the attendees of the August club meeting were treated to a preview showing of the new club jersey designed by Richard Rosenthal. The first offering of this exceptional new jersey design shall be a long sleeve fall/winter version constructed from the latest wicking fabric engineered to keep you comfortably warm and dry.

Now is the time to treat yourself to a new jersey that graphically displays the positive cycling spirit of the area of the country in which we ride. Watch the Bulletin and your email for ordering information.

Opportunity #4 — Escape from New York Century

The New York Cycle Club's Escape from New York Century was listed as one of the top centuries in the country by Bicycling Magazine. Everybody that has participated in the 50, the 62 or the full 100 mile ride seems to rave about the route, the food and the good nature of the folks that ride along side of them.

Take a minute now and complete the registration form that is inserted in this edition of the Bulletin, and join hundreds of area cyclists on Saturday, September 26th for one of the best centuries of the year.

Opportunity #5 — E-mail Ride Listings

Every month we send weekly updates of upcoming rides and special events to our members via e-mail. You are cordially invited to join our free Internet notification service by simply sending your name and your e-mail address to genev@pipeline.com. This service is a benefit limited to members only, take advantage of it!

Thursday, September 3

A19 65 MI 10:00 AM  Sick Day, Ride Day
Summer Series #308
Leader: Jill Tucker 212-431-3029  From: The Boathouse.
Start your labor early. That is, your Labor Day weekend. Bring two water bottles for early delivery. Sick notes provided at premium holiday rates.

Saturday, September 5

A19 70 MI 9:00 AM  Armonk
Leader: Tom Laskey (212) 496-1636  From: The Boathouse.
This classic Westchester ride includes some lovely cruising by lakes and reservoirs, the rolling hills of Whippenwill Rd., and the all important deli stop at Schrieffel's. It's close to 40 miles to lunch so two water bottles and pocket food are highly advisable. The usual cancels.

B16 60 MI 9:00 AM  Labor Day Weekend Ride
Leader: TBD  From: The Boathouse.
Share the Labor Day holiday with others who love to ride. Meet at the Boathouse and pick a destination.

Sunday, September 6

A19 60 MI 9:00 AM  Pickup Ride to Rockland
Leader: TBD  From: The Boathouse.
You know the way, have a blast!!

B14/16 60/7+ MI 9:30AM  Nyack
Leaders: Hindy and Irving Schachter (212) 758-5738.
From: First Avenue & E 64th St, NW corner.
We enjoy coffee at the Runcible Spoon so once again we will cross the GW Bridge, split into two groups and ride through Bergen and Rockland Counties until we hit Nyack. The slower group has a relatively flat jaunt through Piermont and Grandview on Hudson. The faster group has an even hillier route than on our July 5 outing. Either way, we should have fun.

C13 56 MI 9:30 AM  The Shades of Nyack
Leader: Peter Hochstein (212) 427-1041  From: The Boathouse.
We'll go by the shadiest routes I know at a gentle pace. Eat a little lunch along the Hudson in Nyack Beach State Park. Schmooze a little. Then home, also via a reasonably shady route. You wanna ride real fast? Go find some other ride! Bring spare inner tube or patch kit, pump, helmet. Bring/buy lunch and be prepared to schlepp it approximately 2 miles to our picnic site.

C12 18 MI 8:45 AM  The Great Brooklyn-Manhattan Historical Tour
Leader: Terry Chin (718) 680-5227.  From: Soldiers and Sailors Monument, Grand Army Plaza at Prospect Park.
A meandering exploration of the historical sites of Prospect Park, Brooklyn Heights, Brooklyn Bridge, the African-American Cemetery, Trinity Church, Vietnam's Veterans Memorial, and others, this tour has many stops. We'll continue our ride with a late lunch at South Street Seaport Co-led with 5BBC.

Monday, September 7

A19 60 MI 9:00 AM  Where is everyone?
From: The Boathouse.
All our regular leaders are away for the weekend, but that doesn't mean you can't ride. Surely, there will be others at the boathouse!

B18 80 MI 8:30 AM  A Cure for Nyack
Leader: Peter O'Reilly (212) 414-1937.  From: The Boathouse.
Today's ride provides for nice long scenic stretches of riding through less familiar NYCC territory. It should be a nice alternative to the old and familiar standby, Nyack/Rockland Lake. We cycle through the more northeasterly portions of Bergen and Rockland Counties while catching the last few rays of the summer sun. With an early start, few hills to climb, a lunch stop that will completely refill your fuel tank and adhering to the advertised pace, an early return to the City is expected. Extra water recommended.

C12 30/40 MI 8:30/9:30 AM  Gateway Getaway: Rockaway Greenway Excursion
Leader: Terry Chin, (718)680-5227.  From: City Hall at 8:30 am (40 mi) or Prospect Park Picnic House at 9:30 am (30 mi).
Explore the newly restored greenways to Canarsie Pier and Historic Floyd Bennet Field. This airfield was NYC's first municipal airport and was site of many aviation records. There are some great views of Jamaica Bay and the Manhattan skyline, too. Co-led with 5BBC.

Friday, September 11

B16 50/60 MI TIME TBA  Jersey Shore Escape
Leader: Ron Grossberg (718) 369-2413 or argre401@aol.com
We can use my car (up to three people and our bikes) to escape to a scenic starting point to put in some miles. Call by Wednesday.

Saturday, September 12

A19 68 MI 9:00 AM  Freijs 30th Anniversary Ride
Leaders: Karl Dittebrandt (212) 925-9854 and Bill Richards (212) 675-1946.  From: The Boathouse.
This ride is somewhat less ambitious than the item put together for the Freijs 20th Anniversary Ride. We will not attempt to bring a large and unwieldy group up the west side of the Hudson over the Beacon-Newburgh Bridge and down the east side. Instead we will venture to South Mountain Rd, stopping first at the Colonial Diner and return by way of Sparkill. Hopefully, many of you who took part ten years ago will join us for this celebration! Toe clips and wool jerseys appreciated.

B18 65 MI 9:00 AM  The Sculpture Ride
Leader: Herb Dershowitz (212) 929-9787. From: The Boathouse.
A ride to the beautiful Pepsico sculpture gardens in Purchase, NY. Take an inspiring walk around the world famous objects d'art. We'll pick up food to picnic by the lake.
C14 50 MI  9:00 AM  Life is a Breeze
Leader: Spencer Korolinas (212) 867-8678.
From: City Hall across from the Brooklyn Bridge.
Breeze your way on the scenic route through Brooklyn on our way to Riis Park.
Breeze Point and its semi-nude bathing on the "private" sands. Must be able to fix flats and eat "real" Italian. Bring your favorite bathing suits.

Union Tpk & Queens Blvd. (E or F train to Union Turnpike Station.)
From Sands Points to Kings Point. By popular demand for those who
missed out on this last scenic ride to the rich and famous.

We're going 42 miles nonstop to Oyster Bay for the group picnic at 12:30.
Best of all, the leader guarantees scenic, shady roads, some of which have
never been used on an NYCC ride.

A19 70/- MI  9:00/9:30 AM  Leader: Margaret Ciciglia (718) 275-6978.
From: Tramway Plaza (59th St & 2nd Ave) at 9:00 and Queens Blvd & Ave at 9:30.

We'll break up into several groups, according to speed. There'll be
something for everyone!

C14 55/- MI  9:15 AM  Leader: Bernie Brandell (718) 633-1759.
From: The Statue of Civic Virtue
(E or F train to Union Tpk & Queens Blvd.).
We'll enjoy the road of L.I.'s North Shore on our way to the all-class picnic.

call me the day before if coming, otherwise I'll assume everyone is working
and I won't show up at The Boathouse.

From: The Boathouse.
I have to work next Saturday and will miss our NYCC Century. To compen-
sate I'm planning to ride nearly that distance, doing a big loop through
Rockland County, covering parts of the Century route. It's almost the real
thing, beautiful and hilly with a fast return via Saddle River Rd. T-Shirts,
food, energy bars, free tubes, raffle, post ride party not provided!
Cheat skates or laggards unwilling to participate in the Century not wel-
come! (Bring a note from your mother). Bring two (2) water bottles, pocket

Leaders: Marilyn and Ken Weissman (212) 222-5578
From: Grand Central Information Booth for the 8:57 am bike train to Brewster.
The North County Trailway is Westchester County's newly-completed

A19 75 MI 8:30 AM Reservoir Route
Leader: Damon Hart (212) 753-0204. From: The Boathouse.

KB18 70 MI 9:00 AM Return of the Killer B’s
Leader: Todd Brilliant (212) 274-9463. From: The Boathouse.
Due to popular demand, I will be leading another fast B (slow A) into Rockland. I’ve since learned that KB rides are supposed to be hilly; therefore, unlike the last one, expect quite a few climbs. Bring enough water and pocket food for riding 40-50 miles before we stop.

B15 60 MI 9:15 AM B Flat By the Sea
Leader: Mark Bernstein (718) 833-6648. From: City Hall Steps.

On-site registration begins at 7:00 am at Sakura Park (opposite Grant’s Tomb at 122nd St. and Riverside Drive). Scenic and challenging routes that take you away from the honking and traffic and cabbies. 50-mile route goes to Pierront, 75-mile route to Rockland Lake State Park, 100-mile route to Bear Mountain. Great fun, fun post-event party.

Sunday, September 27

A20 55 MI 9:30 AM You know this without reading it
Leader: Richard Rosenthal (212) 371-4700 From the Boathouse.
As always, it’s the extraordinary beauty, rolling terrain, and lack of traffic on relatively nearby, 9-mile long River Road, and 2-out-of-3 of the challenging Tweed-Bradley-Clausland climbs. The only difference now is the more modestly priced market along the Pierront Canal instead of the overpriced Community market, en route to lunch along the canal bank. As I won’t have ridden for a few weeks, look for me farther back than usual of every uphill, including speed bumps and driveways. Those exhausted by yesterday’s century are especially welcomed.

B16/17 65* MI 9:00 AM Caumsett State Park
Leader: Ron Grossberg (718) 369-2413. From: The Statue of Civic Virtue (Union Turnpike & Queens Blvd — E/F train).
We’ll ride along the north shore of Long Island, past Oyster Bay to Cold Spring Harbor located on the Long Island Sound. The route is scenic with some rolling terrain and one big hill. Bring pocket food and plenty of water.

C13 45*/- MI 9:15 AM Recovery Ride to Pierront
Leader: TBA, if we find one. From: The Boathouse.
After doing the Escape from NY Century, Metric, or Half Century, we’re ready to ride slowly to Pierront to recover.

Saturday, October 3

A19/21 79 MI 8:30 AM Armonk
Leaders, Christy Guzzetta (212) 595-3674, Josh Lewis (914) 771-9520, Steve Flynn (914) 337-3618. From: The Boathouse.
We’ll pick up our leaders in Bronxville and then head out on a beautiful early fall ride in Westchester. Along Rte 22 and up Whippoorwill. Cruise into Armonk for doughnuts and cider (it’s the season for cider). Then return along Kensico Reservoir, White Plains, Scarsdale and Bronxville. Perfect ride for the season. Bring Metro-North pass in the event we have too much fun to ride all the way home.

B16/17 65* MI 8:30 AM Caumsett State Park
Leader: Jim Drazios (718) 225-1842. From: The Statue of Civic Virtue (Union Turnpike & Queens Blvd. — E/F train).
We’ll ride along the north shore of Long Island, past Oyster Bay to Cold Spring Harbor located on the Long Island Sound. The route is scenic with some rolling terrain and one big hill. Bring pocket food and plenty of water.

B14 40 MI 10:00 AM Saddle River Local
Leaders: Larry Rutkowski (212) 799-9625 wk and Alinda Barths (212) 928-5399. From: New Jersey side of GW Bridge at Hudson Terrace.
Join us for a mellow ride along scenic roads across the River. We won’t ride in the rain.
New York Cycle Club

C13 55+/- MI 9:00 AM Nyack
Leaders: Lynn Sarro (212) 722-8495 and Linda Wintner (212) 876-2798.
From: The Boathouse.
This ride will follow one of Irv Weisman’s scenic, meandering suburban routes through lovely neighborhoods. Mostly flat before lunch in Nyack. The ride home is also lovely, but there is one big hill. (Sorry — there’s no way around it, although we may decide to chop it up into smaller pieces!) As usual, we will be emphasizing safety and good riding skills and providing effective cycling tips (free of charge). The ride should end at Central Park and 110th at approximately 5 pm. Helmets required. Check your tire pressure before you leave home and bring a spare inner tube. Also, bring plenty of water and some pocket food. The ride should be a lot of fun, and we hope to see you there.

C13 60 MI 9:00 AM Back to Brooklyn
Leader: David Hallerman (718) 499-4467. From: City Hall Park.
Bike lanes and bike paths, sides streets and park roads, ocean views and marshland. You’ll find all that and more on our return tour of Brooklyn. The day’s main destination is the open acreage of Floyd Bennett Field, part of the Gateway National Recreation Area, where the old runways offer a unique cycling experience.

Sunday, October 4

A21 80 MI 9:00 AM A 75 for Irv
Leaders: Stephanie Blecher and Rich Borow (212) 348-2661.
From: The Boathouse.
A twisty, rolling ride on some of the most challenging roads in the area as we head out to Greenwich. We hope it’s still warm enough to eat outside in the park gazebo. Two water bottles, pocket food and low gearing in honor of Irv) recommended, as well as a Metro-North pass for possible bail out in case the low gears are not quite low enough.

A18 70 MI 9:00 AM South Mountain Road
Leader: Damon Hart (212) 753-0204.
From: The Boathouse.
A steady paceline ride through Bergen and Rockland counties, with the option for extra hills along the way (group decision en route.) Disciplined A skills required. Rain cancels.

KB17/18 100 MI 8:00 AM Seventh Annual Long Island Century
Leader: Buzz (212) 288-6324. From: The Boathouse (Call if you’d like to meet in Queens).
This isn’t the easiest century, but it’s a lot of fun. We’ll take the flat southern route in the morning to lunch at Bethpage State Park. The return offers plenty of climbing to help the stomach digest. Be prepared for a full day of fun with two water bottles and pocket food. Patient and sociable “A” riders are welcome (Hey Mikey — it’s on a Sunday!)

Irv’s 75 for 75 — Not! Irv Weisman’s 75th Birthday Ride

ORGANIZED BY IRV WEISMAN
See listings below for particulars.
Although Irv is 75 and his spirit is willing, his flesh is too weak to ride his beautiful 75 mile route this year. Instead, it will be led once again by Ed Sobin and Richard Goldberg who led it so successfully last year. The route goes as far north as South Mtn Road and has 2 snack stops before lunch in Tallman (on Rte 59, not the park). It has some demanding sections with one short hill on which all conversation ceases (HINT: Low gears!). The B14 rides will use Irv’s old “50 mile Club Route” in NJ while the C12/40 will be Irv’s actual Half-Birthday Ride this year. All rides will converge on Pasack Brook Park for a last snack before tackling the last 15 mi to the GW Bridge. Helmets, pocket snacks, etc. required (see page 11). 60% chance of rain cancels. Note: GW Bridge Bus Terminal, at Fort Washington Ave and 178th St, can be reached by “A” train to 175th St & Fort Washington Ave.

Challenging, low-traffic, undulating, climbing route to Westchester’s peaks towering above the Hudson, lauded in Washington Irving’s tales. Wheat germ mandatory morning of ride, Metro-North bailout for softies. During intermission land that magnetic boyfriend/girlfriend dancing ardent tango. Rain or shine.

Sunday, October 11

B13 50 MI 9:00 AM Back way to Piermont
Leader: Dona Kahn (212) 399-9009. From: The Boathouse.

NYCC Member Leads Team to Gold in Amsterdam
— by Harold Levine

The Fast and Fabulous Cycling Team, New York's gay/lesbian bicycling group, led by NYCC member Bob Nelson, fielded a team to The Gay Games held August 1st to August 8 in Amsterdam, and won four medals. Mountain bikers Alex Acevedo came in 10th out of 42, and Eileen Karn took a silver on the challenging course at the Amsterdam Bois, which included two flights of stairs, a patch of sand and enough tall grass to turn chains and cogs green. At the road racing events, held at the beautiful Sloten cycling park, both Jay Hill and Jennifer Silverman missed a Bronze by seconds in the 7.5-mile time trials, but Marten den Boer copped a Silver and Maynard Yost a Bronze and in the over-45 age group, Martin in the Licenced division and Maynard in the Unlicensed.

In the most exciting race of the cycling program, the Men's Licensed Crit, Marten broke a spoke on the sixth of 52 laps and was about to drop out when the saintly Wayne Lerch of Team DC Velo, already out with a flat, offered Marten his wheel. Marten jumped back in and got the Bronze in the 50-mile race, and Brian Grundstrom came in eighth in his age group.

In the Team Time Trial, Fast and Fab fielded three entries. The women, Paulette, Jennifer, Mary Anne and Joan Nugent, took a fifth in 54:23 on the 12-lap race, about 18 miles. A pickup team consisting of Jay Hill, Maynard Yost, Jay Dwral and Wayne Lerch was also fifth, in 49:26. But the Gold went to the Team Fast and Fab entry, Marten, Dwight, Brian and Bob Nelson, who covered the course in a blistering but completely unexpected 48:10, beating the second-place team by only 18 seconds.

Bob Nelson reports that teams from Sydney and Amsterdam probably took more medals than Fast/Fab's four, but they could not possibly have had more fun.

For those who might be interested, Fast/Fab conducts rides from the Boatshouse every Sunday, and trains together for long rides such as the Boston to Provincetown Super-Century in June, the AIDS Ride, and select road races and triathlons. Everyone is welcome, regardless of sexual orientation or ability.

Fast and Fabulous has been the subject of a number of recent articles, most recently in The Advocate's Gay Games issue and in The New York Blade. The Fast and Fabulous Cycling Team formed as a result of the interest aroused by the previous Gay Games, which were held in New York City in 1994.

For more information on Fast and Fabulous, call 212)567-7160, e-mail rjn2@columbia.edu, or visit the Fast/Fab website at http://athena.ph.hunter.cuny.edu/fastnfab/.

New Bike Lane Opened on Queensboro Bridge

A new bicycle path on the Queensboro bridge opened the first weekend of August and it sure beats the gridded metal and expansion joints on the other path. The new path has easy access ramps, a smooth surface of alternating concrete and pavement and no scary expansion joints. To reach the new bicycle path from Manhattan, ride up the left side of 1st Avenue, then take a left onto 60th St. The entrance to the path will be clearly visible alongside the bridge abutment. On the Queens side, the entrance is at Queens Plaza North and 27th Street. Note: at the Queens entrance, there is a steep curb, so slow down and be prepared to stop when coming from Manhattan.

More on the NYCC Columbus Day Weekend in the Catskills

Spectacular Fall foliage, excellent food, fun people: come join us October 9-12 for a great weekend in Ulster County.

Phoenicia, 25 miles west of Kingston on Rt. 28 and in the heart of the Catskill Mountains, makes the perfect location for our weekend. There are lots of bed and breakfasts, inns, lodges and motels in the area and we all know the riding is great. (People don’t ever get lost — they just wind up taking other pretty roads!) New Paltz is about 65 miles round-trip by bike (with or without climbing Mohonk Mountain); Woodstock is 15 miles away and it’s just a short detour from there to Devil’s Kitchen; the infamous Peekamoose-Sampson-Slide Mountain loop is a mere 65 miles, albeit most of them are vertical! And there are literally thousands of miles of other scenic roads in the area.

Don’t forget to bring your hiking boots as a number of people have said the will forego a day of riding to spend a day hiking one of the many trails in the area.

All rides will start and end at the Phoenicia Elementary School on Route 214.

Sunday night’s soup “dinner” will be an all-you-can-eat, all-you-can-drink barbecue Sunday afternoon, outside at Al’s Restaurant in Phoenicia. The cost is $25 per person and must be paid in advance. Please send a check payable to Jeff Vogel, 102-10 66th Rd., Apt. 14E, Forest Hills, NY 11375 by Sept. 20, 1998.

The following is a list of accommodations in the area. Please make your own reservations. Any questions, call Jeff Vogel 718 275-6978.

Crosstabulated Results of the 1997 NYCC Members’ Survey

One hundred and thirty six members (over 10%) of the NYCC membership responded to the questionnaire circulated in 1997. The results were presented in the April 1998 Bulletin. Maggie Clarke compiled and tabulated the data presented here. Values are rounded to the nearest percent.

Answers to the Members’ Survey are crosstabulated against the criteria expressed on the left sides of the underlined table headings. The tables mostly crosstabulate survey answers by respondents’ self-grading as “A,” “B,” or “C” riders: 55% of respondents consider themselves “B” riders, 23% “A” riders, and 22% “C” riders. 50% of the respondents have been NYCC members for at least three years; 95% of our members plan to renew their membership.

**Summary:**
Half of three-quarters of Club members would go on weekend rides using bikes only. A and B riders would be more likely to go.
The biker babe who has her ear closest to the ground is off on a vacation, and the mailbox at www.nycnews@yahoo.com is empty — where are you gossips? Let’s hear from more of you in time for the October Bulletin.

Congratulations to Jill Hamburg and Dave Coplan, who are officially engaged and about to tie the knot before Labor Day. It seems the best way to ensure that you have someone with whom to bike is to make your biking partner your partner for life.

Get well wishes: Dave Thomas broke a rib in Prospect Park and on the same day Mary Allen broke a collar bone—remember that Mary was in the Master’s Nationals last year and finished first, second and third respectively in each of the races she entered. Hope both bones heal fast and in time to finish out the summer.

At last month’s traditional ice cream social (egads! it was actually yogurt — what ever happened to Ben and Jerry?) it was great to see old friends — Alan Leener and Steve Metcalfe were a sight for sore eyes. We hope they come to see us more often. Ellen Medins and Greg Worley were at the social, but they first went out for pizza and arrived only on time for the ice cream — maybe they had had the Dallas’s BBQ chicken too many times. Why did Tim Andon offer to drive Jon Tsang back to Conrad’s Bike Store after finishing off his ice cream? Why, so he could have Jon change his car’s flat tire (in less than 5 minutes, would you believe?) I hope Tim changes his own flats on the road with his bike, but be forewarned when you ride with him.

Everyone who went had a great time at Club Getaway. The weather was great, the rides great, the leaders (Chris Audley, Ed Fishkin and Jeff Vogel) were great and the best accomplishment of the weekend was that Ed Fishkin went home with 26 new phone numbers (of potential partners for life? or is Ed one of those confirmed bachelors?). How do we know there were 26 numbers? Someone in the group reported that he saw and counted them. Was he just a Jealous or is he just a good reporter checking on his facts?

Jody Sayler and Christy Guzzetta are completing their country house in Cold Spring — if it looks like other houses that Jody, an architect, has designed, it should be spectacular — but then we should be able to check it out — which means that Jody and Christy should hold a biking event as a house warmer — well, when a couple get married on an old river boat, which is used year after year for the Fourth of July weekend at West Point with half the bike club present, why wouldn’t they open their house to the bike club — just kidding.

This might be old news to some, but it is worth repeating — we heard that on a trip to Crete last year, Kristi Roberts was unpacking her bike on arrival and broke her seat post bolt — Mike De Lillo not only happened to have a spare bolt, but it was the kind which doesn’t fit his own bike, he just carries it to be the man of the hour when an attractive woman is in distress.

Lastly, but not least, congratulations to Irv Weisman on his 75th birthday — for those of us who have ridden with Irv on his birthday rides, we all wish him well and look forward to the 80-mile ride with him in the year 2003.

Keep the dish coming and please, please, please e-mail us with all the news which will fit.

**Selected Letters to the Bulletin**

**Volunteers, Anyone?**

This letter is to request NYCC’s participation in the Staten Island/Brooklyn Boy Scout Councils 1998 Jamboree, which will be held at Fort Hamilton Army Base, Brooklyn, Friday, October 9 through Monday, October 12, 1998.

The event is expected to draw over 2000 young participants and an additional 2000 visitors. Press coverage is also planned.

Scouting is supposed to prepare our young people for their future. We wish to provide meaningful demonstrations of vocational opportunities and enriching experiences at the Jamboree, so we are requesting the participation of your organization or members.

Could members of your club attend, perhaps even set up a cycling display and give some info about cycling and the NYCC to the many scouts who will be attending?

Even better, would some members be interested in volunteering their time to administer the Cycling Merit Badge (recently added to the list of Merit Badges that Scouts can earn) to the registered Scouts at the jamboree? I would be more than happy to help out or coordinate this effort.

I do think this will be a great exposure for your club and help promote safe and enjoyable cycling to youth.

Isaac Michalowski,
Program Chair
12 Aug 1998

Persons interested in volunteering for possible NYCC participation in the Jamboree should please contact Gene Vezzani, preferably at genev@pipeline.com. — Ed.

**MINUTES OF THE NEW YORK CYCLE CLUB BOARD MEETING OF TUESDAY, JULY 7, 1998**

Absent: Ben Goldberg, Joel Englander and Charlie Katz.

The minutes for May 5 and June 2, 1998 were approved.

The board discussed the Escape from New York Century, including the direction of sponsorship and advertising. Douglas and Anne agreed to work on the t-shirt, brochure and advertising.

Anne discussed upcoming special events and coordinated the barbecue.

There was a discussion of the need for more slow A rides.

Gene reported on the status of the Millennium jerseys.

It was agreed that the ride coordinators would ask ride leaders to find co-leaders in an effort to enlist new ride leaders.

The meeting adjourned at 7:40 pm Respectfully submitted

Conrad J. Obregon

**Mirrors Added to GWB Towers**

Thanks to T.A. member John Henderson, the Port Authority recently installed parabolic mirrors at the tower corners of the south sidewalk on the George Washington Bridge so oncoming bikes and pedestrians can see each other better.

These corners have always been a problem, but with the new construction fencing up, there’s even less room for error.

Ride Safely!

Before your first club ride, please read this:

NYC RIDES are led by volunteer leaders who plan the route and maintain the listed speed (e.g., B15 = B Style / 15 mph cruising speed — see chart). Our rides are described by pace and style because it's more fun when the group is of similar ability. We ride for fun, fitness, and food.

**RIDE STYLE** indicates the type of riding. See chart at right. **CRUISING SPEED** indicates the ride's speed on flat terrain. **AVERAGE RIDING SPEED** over rolling terrain is 3 mph less than cruising speed. This will vary plus or minus 1 mph, according to terrain. **OVERALL SPEED**, including all rest and food stops, is about 3 mph less than average riding speed.

**SELF-TEST:** Assess your personal cruising speed by riding 4 laps (24.08 miles) around Central Park at a comfortable pace and matching your time with the chart. **NOTE:** Riding fewer than 4 laps will give you a false assessment. (The northern end of the park can be dangerous; ride with other cyclists, and mind the radar-enforced speed limit.)

**YOUR FIRST NYC RIDE:** Be conservative. Choose a ride easier and shorter than you think you can ultimately handle. You won't enjoy struggling to keep up with a ride that's too fast for you, nor will the group enjoy waiting for you. It's a good idea to call the leader a day or so before the ride, and introduce yourself when signing up at the start.

**BEFORE ANY RIDE:** Check that your bike is in good riding condition: brakes and derailleurs working well, tires pumped to the pressure specified on the sidewall. Eat breakfast.

**BRING:** helmet, spare tube, iron levers, patch kit pump, water, snacks, money, medical ID, emergency phone numbers. **We also suggest:** lock, rail pass. Leaders may specify other items in their ride listings.

**BIKE TRAINS:** On Saturdays and Sundays, Metro-North has scheduled specific trains to/from Grand Central Station to accommodate large groups of cyclists. Bike trains are indicated by a bicycle symbol on the Metro-North timetable. Schedules change frequently. The following is the most current one available.

Bike passes are always required. **There are no Bike Trains on holidays. Refer to roster for restrictions** which apply at other times. If you are leading a ride and absolutely require a Bike Train at another time, you must call NYC's Metro-North liaison, Jeff Vogel at (212)275-6978 well in advance to try to arrange another train for your ride. Bike passes are available at Window 27 at Grand Central or by calling (212)499-4398 for an application.
