President’s First Message

As I sit by my window watching one of the wonderful “shows” of nature, there is already four or five inches on the ground and the snow continues at perhaps an inch an hour. At this moment, bike riding for the winter season looks pretty bleak. But not so for the coming year and NYCC. We look forward to a continuation of the improvements in the bulletin both in content and timeliness that we have seen over the last several months. “Muchas gracias” to Ludwig Vogel our editor and to George Kaplan our mailing-party organizer. We look forward to another successful SIG program as well as several new STS’s (spring training series) with which we hope to accommodate a much broader range of riders than in the past. Additionally, we will soon see (thanks to Peter O’Reilly) a new web-based ride submission program that will make it much easier for leaders to submit rides, keep track of their rides, and much more. And “as we speak” we are already in the early planning stages of organizing our club biking events for summer ’04. For NYCC—look for an exciting year ahead.

As we transition to a new year and a new executive board we have to thank a number of people, those members of the board who are leaving as well as those who have chosen to continue on. All of them having given so much of their time and effort to help make the club as successful and enjoyable as it has been over the last several years. Leaving the board are Eileen Crowley, Carol Waaser and Eva Wirth. Three people who you can be sure you will see around as they continue to be involved in other important areas such as helping to run the signs and leading rides throughout the year. Staying on are Fred Steinberg, Deborah Bennett, David Hallerman, Marty Wolfe, Robert Gray, Isaac Brumer, Ludwig Vogel and Timothy McCarthy (now an official member). Our “newbies” are Hal Eskenazi, Kathy Jennings, David Sabbarese and Wayne Wright. With an executive board like this, my job will be a “piece of cake”. And of course, we owe a huge thanks to our outgoing president Tom Laskey, who will continue to be on the board in an advisory capacity as “immediate past president”. I have had the pleasure of serving under “el presidente” for the last three years and I think that I can speak for all of us on the board when I say thanks for all of your hard work, leadership, and guidance that you have provided us and will continue to provide. Thanks Tom.

Finally, let me not forget to remind everyone that it is time to RENEW your membership. Whether you renew by US mail or online, now is the time! And be sure to check out our new fee schedule (found elsewhere in this bulletin). You can save up to $8 off our already very reasonable dues of $24 for individuals and $30 for couples—what a deal!

PS: Has everyone seen our new ride library? Check it out! Robert Gray, Fred Steinberg and our very talented webmaster Timothy McCarthy are the “culprits”. Was it worth waiting for—or what??.

Club Calendar

Friday, January 9

Place: Wollman Rink in Central Park
Time: 6:00 pm until ?

Bring your skates to work (of course, rentals will be available for those who don’t own their own) and afterwards meet with other NYCC club members for a couple of skating sessions in Central Park. The rink is best accessed by entering the park on the 59th St and Sixth Avenue entrance. Skating in this incomparable evening setting is a relative bargain at $8.50 for adults (add $4.75 if you want to rent skates). Later, a drink in the Plaza’s Oak Room is always fun. And for once, cold weather under 30°, or even snowy conditions, will not cancel this event. The more, the merrier . . .
Club Rides

IMPORTANT: Before you take your first club ride, please read about club rides on page 10.

ALWAYS WEAR A HELMET; NO HEADPHONES.

Unless otherwise stated, precipitation at starting time cancels the ride.

December Recurring Rides

Every Sunday January and February 1st

B15+ 40 MI 8:00AM Temperature Regulators

Leader: Jesse Brown, 718-931-7783
From: White Plains Rd & Pelham Parkway, Bronx (#2 train to Pelham Pky)
The 5BBC's "Temperature Regulators" will take you to either White Plains, Rye, or Byram, CT at a quick spin pace that is sure to keep you warm.

Every Wednesday in January

A19+/– 50+/- MI 10:00 AM Wednesday Morning Spin Sharp

Leader: You don't need a leader to get to Nyack From the Boathouse
We expect the Wednesday ride to continue all winter long, weather permitting. If it’s reasonably nice, we’ll go to Nyack. If it’s cold we’ll shorten the ride to Pierson, Northvale or State line. If it’s worse than cold, we’re smart enough to stay home.

January Club Rides

Thursday January 1, 2004

B-any 25-30 MI 11:00 AM Brooklyn Polar Bears

From: City Hall (optional start at Prospect Park, call leader if you plan to meet us there)
Leaders: Marc Silverman, mhsilv@yahoo.com, 646-408-4565 & Peter “Banana Guy” Kouletsis (peter.kouletsis@citigroup.com, 917-854-1181)

Happy New Year!
Join us on our first ride of the new year. We’re going to the beach (Coney Island, that is) to see Polar Bears! The polar bears swim club will be meeting on the beach at Stillwell Ave at 1:00 pm for their annual New Years Swim party. We’ll watch them make a splash, followed by Lunch at Nathan’s, Totonno’s, or some other place. Bring towel and swimsuit if so inclined. Sunblock probably not necessary. Required: helmet, bike, spares, water, food, human warmth. Cancels: wet roads at start, temps below 25° at 10 am (NYI). Plentiful bail-outs via Metro Card.

Saturday, January 03

A18/19 55 MI 9:30 AM Pearl River

From: The Boathouse
Leader: Rich Ramon, RamonR@coned.com, & Hank Schiffman, 212-529-9082, hschiffmann@nyc.rr.com
We go to Pearl River, NYCC’s winter hunting grounds. Lunch at the Muddy Brook Cafe. No cue sheets. If you get lost, ask directions. This is winter: dress for success or freeze your ass. Advice from someone who has suffered in the cold: always carry one more article of essential clothing. This way you mentally feel that you have a trump card up your sleeve. Bulletproof, correctly inflated tires are essential. If you think fixing a flat in December is purgatory, doing it in January is hell. Temps below 25° and strong, gusty winds will cancel this stamp. Please keep an eye on the NYCC Message Board for late breaking developments.

B15 40 MI 9:30 AM Scarsdale

From: The Boathouse
Leader: Carol Waaser 212-581-0509, biker-c@rcn.com
I’m writing this on the day of the December blizzard, so let’s hope by New Year’s weekend we get a little break! But in case it’s “iffy”, we’ll go to Scarsdale—plenty of bailout options! I’m told the diner is back in business. Bring water, helmet, $$ for lunch, MetroNorth pass just in case; dress in layers and we’ll defy the elements! Studded tires or chains optional.

Sunday, January 04

A18 35 MI 10:00 AM Brooklyn Queens Express

From the Boathouse

Wet streets, temps way below freezing, gusty winds will cancel. Take a look at the message board or email me to confirm.

B-16 50 MI 10:00 AM Back Way to Northvale

From: The Boathouse

A/B17/18 25 MI 10:00 AM On Track

From: The Boathouse
Leader: Gary McGraime (212) 877-4257, garynycc@aol.com
Wanna try group riding on your track bike? Riding loops in the Park is far
more interesting on a fixed gear and is also the best place to get accustom-
ted to riding together. If everyone likes it, we can venture beyond the
Park on future rides. Last year, I was riding to Peirmont and returning on
State Line and it was a blast! Below 30°, wet or ice cancel. Check the
message board the morning of after 8:00 am if in doubt. **Helmets required.**

```
B17  55+/-- mi  9:30 AM  PARK RIDGE

From the Boathouse
Leader: Russ Berman, 212-595-8834, rberman@kronishlieb.com
What snow? Let’s schedule and hope to ride one of the roundabout ways
to Park Ridge to grab a carb-filled brunch at the diner. We’ll try to make it
back reasonably early by maintaining the posted pace. This should be
a one-stop ride, so an extra energy bar would make sense (not to mention a
themos of hot soup and a range extender). Good group riding skills, good
tires and a helmet are mandatory. Aside from precip, predicted high temp
below 30° or winds above 25 mph at 8:30 cancel. We'll go if the roads are
wet but not icy (I'll bring my old hardtail and we'll ratchet down the pace)
Check with me up to 9:00 am if in doubt.

Prospect Park via the Queensboro Bridge, Long Island City, Greenpoint,
Williamsburg, and Fort Green. A few laps of Prospect Park, a brief stop in

B16  45 MI  10:00 AM  WESTWOOD

From: The Boathouse
Leader: Wayne Wright, 212-873-7103, wwright8@nyc.rr.com
The goal of any winter ride is to find pancakes. Westwood is usually a
good bet for pancakes .... c'mon let's go! Smiles and helmets please.
Precip, wet/icy roads or freezing temps at 9:00 am cancels. Check NYCC
message board if in doubt. **Helmets and smiles please.**

B16  50 MI  9:30 AM  OLD SCHOOL TRAINING RIDE

From: The Boathouse
Leader: Sal Cenatiempo, 917-302-2327, spcena@hotmail.com
"In the Olden Days, before Spinning and workout videos, European profes-
sional cyclists used to train in the winter using a fixed gear bike, and only
switch to their derrailleur-geared mounts in the spring." Want to learn the
virtues of off season training on a fixed gear? Then join me and my Pista for
an old school fixed gear spin to Nyack. No fixed gear? No problem. Bring
your geared bike, pick a gear at the start and leave it (no gear shifting or
coasting allowed). We'll hammer up and spin down every hill (steep hills will
be avoided). Do a couple of these and I promise come spring time you'll be
in much better shape for your first "geared" ride! Bring the usual and pocket
food. Check the message board the morning of the ride for cancellation.

B/C15/14  40 MI  10:00 AM  A NEW WAY

From: The Boathouse
Leader: Gary McGraime, 212-877-4257, garynycc@aol.com
It's a New Year which calls for trying New Ways to approach life including
the Northvale Diner. Maybe we'll even order something totally different
than the usual - woooh! Let's focus on smoothness rather than speed and
hold a steady pace with a few hills thrown in to keep warm. Below 30°, wet
or ice cancel—check the message board the morning of after 8:00 am if in
doubt. **Helmets and warm clothing required.**

C11  25 MI  10:00 AM  FROSTBITE RIDE #6: CONEY ISLAND DREAMIN’ (ON SUCH A WINTER’S DAY)

From: City Hall (opposite Brooklyn Bridge)
Leader: Ed Defreitas (718-237-0989, defreita@netscape.net) and TBA
Spend time in Brooklyn complete with that famous bridge, Prospect Park,
the Shore Parkway Greenway, and unparalleled views of the Narrows. We'll
have lunch at Totonno’s Pizza, then visit the boardwalk before returning to
Manhattan. Co-listed with the 5BBC.

From: the Boathouse
Leader: Fred Steinberg, 212 787-5204, fsteinberg@nyc.rr.com;
Timothy McCarthy, timothympc@earthlink.com
We'll go as far as we can depending on the weather, temperature and road
conditions. If precip is approaching we'll ride on the west side to be close
to Metro North/subway bailouts. Bring Metro North pass, Metrocard.
Cancel conditions, icy roads, winds above 30 mph, temps below 30°
at 8:30 am. **Check BB for ride status after 8:00am.**

From: end of East 82nd Street, overlooking East River, on John Finley Walk
Leader: Hannah Borgeson, 212-348-2601, e-mail: gasiorcj@att.net
We'll stick close to home on this winter day as we explore the new “interim
greenway” encircling Manhattan Island. The East River Esplanade, Harlem
Speedway, Henry Hudson Path, and Hudson River Greenway are some of the
off-street routes our Department of City Planning worked overtime to connect
to the behest of Mayor Bloomberg. We’ll follow this route as we circumbike
Manhattan with brief stops to admire the scenery. Souvenir greenway maps
will be given out. Bring pocket food and drinks; we will not stop for lunch.
About a third of the ride is on city streets. **Icy conditions cancel.**

C11  25 MI  10:00 AM  FROSTBITE RIDE #7: ASTORIA AND UNCLE GEORGE’S

From: City Hall (opposite Brooklyn Bridge)
Leader: Ed Defreitas, 718-237-0989, defreita@netscape.net and TBA
Rudyard Kipling wrote “East is East, and West is West, and never the twain shall
meet.” Guess he never visited Astoria, which is teeming with diverse neighbor-
hoods and direct evidence of east meeting west. A stop at Uncle George’s for
fine Greek cuisine may be in store on this ride. This ride will also include an
excursion on the Queensboro Bridge bike path. Co-listed with the 5BBC.

Peter “Banana Guy” Kouletsis, peter.kouletsis@citiigroup.com, 917-854-1181
One-way with Metro North return—mild weather and ambitious riders may result in extension of the ride to a maximum of 80 miles. Should chocolate be banned from Olympic competition as a performance enhancer? Let's hit the road and find out! Today's journey takes us north to Danielle's Chocolatier in Mt Kisco (www.danielleschocolates.com), where all sorts of confections await. We have been told that the hot chocolate is splendid. A17 100 Mi 8:30 AM January Thaw Century [SLD*]

From: The Boathouse
Leader: Marty Wolf, 212-935-1460
I tried this several years ago and picked my favorite hilliest century to New Canaan, Ct. (107 mi) 8 started, 4 returned (by bike); destination TBD so bring your train pass in case we decide to just head to Southampton and then train back. Might be a good idea to call leader the week/day before to confirm. [* Slow Long Distance—LSD just sounds too cutey]
Please read this before your first club ride:

**NYCC RIDES** are led by volunteer leaders who plan the route and maintain the listed speed (e.g., B15 = B level at a 15 mph cruising speed — see charts). Our rides are described by pace and style because it's more fun when the group is of similar ability. We ride for fun, fitness, and food.

**RIDE LEVEL** indicates the type of riding. See chart at right. **CRUISING SPEED** indicates the ride's speed on flat terrain. **AVERAGE RIDING SPEED** over rolling terrain is 3 mph less than cruising speed. This will vary plus or minus 1 mph, according to terrain. **OVERALL SPEED**, including all rest and food stops, is about 3 mph less than average riding speed.

**SELF-TEST:** Assess your personal cruising speed by riding 4 laps (24.08 miles) around Central Park at a comfortable pace and matching your time with the chart. **NOTE:** Riding fewer than 4 laps will give you a false assessment.

**YOUR FIRST NYCC RIDE:** Be conservative. Choose a ride easier and shorter than you think you can ultimately handle. You won't enjoy struggling to keep up with a ride that's too fast for you, nor will the group enjoy waiting for you. It's a good idea to call the leader a day or so before the ride, and introduce yourself when signing up at the start.

**BEFORE ANY RIDE:** Check that your bike is in good riding condition: brakes and derailleurs working well, tires pumped to the pressure specified on the sidewall. Eat a nutritious breakfast.

**BRING:** spare tube, tire levers, patch kit, pump, water, snacks, money, medical ID, emergency phone numbers. **We also suggest:** lock, railroad pass. Leaders may specify other items in their ride listings.

**BIKE TRAINS** are led by volunteer leaders who plan the route and maintain the listed speed. **Bike passes good for both Metro-North and the LIRR** are available at Window 27 at Grand Central or any window at Penn Station or by calling (212) 499-4394 or (718) 558-8228 or by visiting [http://www.mta.nyc.ny.us/lirr/pubs/bicyclep.htm](http://www.mta.nyc.ny.us/lirr/pubs/bicyclep.htm) for a printable application form to mail in.

**BIKE TRAINS:** On Saturdays and Sundays, Metro-North has scheduled specific trains to and from Grand Central Station to accommodate large groups of cyclists. Bike trains are indicated by a bicycle symbol on the printed Metro-North timetables. Schedules change frequently. Visit [http://www.mta.nyc.ny.us/mnr](http://www.mta.nyc.ny.us/mnr) for the latest schedule.

There are **No Bike Trains on holidays. Refer to roster for restrictions** which apply at other times.

The following schedule applies from October 26, 2003 to April 3, 2004:

**Meeting Minutes**

**Board of Directors**

**December 2, 2003**

The meeting was called to order at 6:40 pm. In attendance were Tom Laskey, Fred Steinberg, Marty Wolf, Kathy Jennings, Robert Gray, Stan Oldak, David Hallerman, Hal Eskenazi, Timothy McCarthy, Peter O'Reilly, David Sabbarese, Deborah Bennett, Eileen Crowley, and Eva Wirth.

**Membership Report:** Marty reported that current Club membership is 1675. We will be using active.com to maintain our membership database. We are still working with them to fix some quirks in their system and have disabled membership registration and re-registration through active.com until these problems can be fixed. We are hopeful that they will be resolved shortly.

**Bulletin:** As previously decided, the second Tuesday of each month will be the deadline for submissions for the following month’s bulletin. It was reported that the last two bulletins were mailed out on schedule, which seems to indicate that the bulletin mailing party is working well. There was a general discussion of printers and of further improving the efficiency of bulletin production.

**Ride Library:** Timothy, Fred and the others who worked on the Library were commended for a job well done. The response from the Club so far has been great. Rides are still being sorted to see if we need to include more rides to certain areas. We would like to include more C rides. We discussed allowing members to apply for their own routes to be included in the Library, but the Library Committee felt strongly that rides should not automatically be included in the Library unless it is determined that they would add value to it.

**Special Events:** Eva Wirth reported that 65 people had signed up so far for the Holiday Party, which was about the same as in prior years. We agreed to talk up the party on the NYCC website and message board and in the weekly email.

**Miscellaneous:**

1. Soon, ride leaders will be able to submit rides online. Ride leaders will be strongly encouraged to use the on-line system, but will still be permitted to submit rides through other means (e.g., emails to Ride Coordinators).

2. Tom Lasky handed over the reins to President Stan Oldak. The Board thanked Tom for all of the time and energy he has devoted to the NYCC during his three tremendous years of service as its President.

3. Stan Oldak gave an overview of some of the issues he hopes to address during his tenure as President, including: (a) attracting greater attendance at monthly NYCC meetings; (b) continuing the tradition of sponsoring strong weekend and single-day All-Class Rides; and (c) raising the profile of cycling generally in NY by garnering some good press for riding and the NYCC.

The next Board meeting will be on Jan. 6, 2004. The meeting was adjourned at 8:35 p.m. Respectfully submitted, Kathleen Jennings Secretary
