Escape New York Pictures
Connecticut Shoreline Ride
Cross-training in winter
Finally, the weather gods were with us. On Saturday, September 17, we had one of our most successful Escape New York rides ever. Over 400 riders participated! You might be tempted to say that it is all about the weather but you would be only partially correct. The idea that good biking weather will bring out the riders is true. But the real success of ENY is measured, not by the numbers necessarily, but by the people who organize and run it.

It takes around 10 months of planning and organization to carry off this event. And often by people who have never done it before. We owe a huge thank you to Susi Pichler and the ENY committee for a job more than well done. And of course, thanks go out to the many volunteers and ride leaders. Without them ENY would not happen.

Coming off a great ENY we can now look forward to some fun Fall events. Beginning with our October special event. On Thursday, October 20 we’ll visit the Bohemian Hall & Beer Garden in Astoria, Queens to celebrate Oktoberfest. Join us for plenty of sausages, dumplings, and most importantly, BEER!

Then on Sunday October 30 we have our 14th Annual Connecticut Shoreline Ride. Join us for one of our most beautiful ‘All Class’ rides of the year. We have routes at all levels that take in the rustic shoreline and rural roads of Connecticut. Don’t miss this one!

The Fall season is also, as many of you know, when we hold nominations for our annual club elections. Nominations began at our September club meeting and will continue at our October meeting. Now is the time when you can become intimately involved in the running of your club. As mentioned last month, if you are interested in pursuing any of the board positions and would like more information please contact me at stanonyc@aol.com or 212-945-9801.

Finally, as an all-volunteer organization, we owe thanks to all of our members who are willing to give some of their valuable time helping in some capacity. Among those members are a small number of individuals who have donated not just an hour or a day of their time, but many, many hours over a period of years. Two of those people are Fred Steinberg, and Deborah Bennett. Fred, often known as ‘Mr. Routes’, probably knows every bikeable road in the tri-state area and beyond. And he has not hesitated to share that knowledge with us as a route developer, ride leader extraordinaire, and for the last four years as VP Rides. Fred is one of those selfless people who will always tell you, “If you can’t find someone else, I’ll do it”. Thanks Fred. We also owe thanks to Deborah Bennett, our treasurer over the last three years and before that an important member of the ENY committee for several years. We say thank you for keeping our books balanced, but more than that for your invaluable knowledge and guidance during many important club decisions over these years. Thanks Deborah.

Everyone have a super month. Enjoy the Fall season. Stay safe.

Stan Oldak

Executive Board nominations

At our September club meeting we began taking nominations for our coming executive board election. Nominations will continue at the October meeting. Elections take place in November with winners announced at the November meeting. The following is a list of current nominations: President: Hal Eskenazi/Carol Waaser; VP Rides: Open; VP Programs: Open; Secretary Ellen Jaffe; Treasurer Deborah Bennett; VP Rides: Fred Steinberg; VP Programs: Hal Eskenazi; Public Relations: Mark Gelles; Special Events: David Sabarese; Membership: Barbara Spandorf; A Rides Co-ordinator: Open; B Rides Co-ordinator: Scott Wasserman; Bulletin Editor: Anthony Poole; Webmaster: Timothy McCarthy

Please note that there were nominations made at the meeting of people who were not present and have subsequently declined to run. Their names are not included on this list.

Special Club Event

October usually means crisp cycling weather, spectacular foliage, and . . . OKTOBERFEST! Although the Bohemian Hall & Beer Garden isn’t technically a German restaurant per se (it’s actually Slovakian), they do serve up plenty of sausages, dumplings, and most importantly, BEER! Not far away in Long Island City (take the N train to Astoria Blvd. and continue in the same direction for one block, then make a left on 24th Ave) Please email Dave Sabarese at events@nycc.org if you’d like to join us, and we’ll look out for you. Date: Thursday, October 20th, 2005 – 6:30 PM to 9:30 PM.

Leader: Maggie Schwarz, mscarzarny@aol.com, 212-206-7672
From: Eleanor Roosevelt statue, 72nd St and Riverside Drive
A casual ride up to Piermont or Nyack depending on our schedules. We have lunch up there and return home. We’re usually on the NY side of the GWB by 2 or 2:30. Please sign up in the head count the night before on the message board.

B17-18 35± miles  7 pm  Urban Adventure
Leader: John Zenkus, jz2116@aol.com, 917-617-0901; Craig Breed, craigbreed@breakthroughcapital.com, 917-502-2112
From: Central Park Boathouse
Meet 7 pm every Wednesday for an ever-changing exploration of New York City and its environs. Depending on time of year, expect a two to three hour non-stop ride. Required will be some sort of fat-tire bike, good handling skills and a helmet. The route may include cobblestone, rough roads and occasional off-road – where we can find it. Lights required. While not fast-paced, those participating should be able to maintain 18mph flat speed riding a fat-tire bicycle. This is an all four-season ride. If weather is doubtful, check the message board. Post ride dinner is always an option.

Wednesdays in October

A19  75 miles  8:30 am  South Mountain & Saddle River
Leader: Mordecai Silver, msilver@iso.com, 212-677-3506; Sal Cenatiempo, spcenat@hotmail.com, 917-302-2327
From: Central Park Boathouse
Up South Mountain Rd., lunch at the Mt. Ivy Diner in Pomona, and return via Spook Rock and Saddle River. A beautiful autumn ride through Bergen and Rockland. Fixed-gears are encouraged, since both leaders plan to ride theirs. South Mountain Rd. is the only steep hill, and it’s short.

B17  50-55  8:30 am  White Plains via the Bronx River Parkway
Leader: David Sabbarese, dsabbarese@firstmanhattan.com, 212-756-3209
From: Central Park Boathouse
Let’s take advantage of the last Sunday of the year when the Bronx River Parkway will be closed to automobile traffic from Yonkers to White Plains. That’s 14 miles of blissfully traffic-free cycling. We’ll have a sit-down lunch at the Scarsdale Diner before heading back. Metro-North bailouts an option, a bike pass is required, however. Bring the usual, lousy weather cancels.

B15  53+/- miles  9:45 am  5th Annual Memorial Irv’s Birthday ride
Leader: Linda Wintner, lwintner@metlife.com, 212-876-2798; Rick Braun, 212-477-2575
From: Central Park Boathouse
This is the continuation of Irv Weisman’s birthday ride series. Using one of Irv’s circuitous (to avoid traffic and scenic beauty) routes, we will ride through Bergen county. As Irv would wish, we will be riding up hills slowly (using low gears and spinning) while looking at the scenery. All are welcome on this ride to celebrate Irv’s many contributions to cycling. We plan to meet the other B ride and the C ride for dessert. Please bring snack food (we may have a late lunch) and plenty of water. Please check the message board the week before the ride for a possible change in start time.

B16  71 miles  8:30 am  5th Annual Memorial Irv’s Birthday ride
Leader: Ed Sobin, esobin@keysanenergy.com, 718-625-7452
From: GWB Bus Terminal, 178 St and Ft Wash Av
This is the continuation of Irv Weisman’s birthday ride series. He lead this one when he was 71 (it was called 71 for 71). Using one of Irv’s circuitous (to avoid traffic and scenic beauty) routes we will ride through Bergen and Rockland counties. This is a somewhat hilly ride, but as Irv would wish I’ll be riding up hills slowly (using low gears and spinning) while looking at the scenery. All are welcome on this ride to celebrate Irv’s many contributions to the club. We plan to meet the other B ride and the C ride for dessert at the 50 mile mark.

C12/13  35-40 miles  10:00 am  Annual Memorial Irv Weisman Birthday Ride
Leader: Maggie Clarke, mclarke@hunter.cuny.edu, 212-567-8272
From: GWB Bus Terminal, 178 St and Ft Wash Av
Meet at 178th St and Ft Washington Ave (rear of GW Bus Terminal). Take a train to 175th St; take elevator out and walk north to 178th St. Let’s venture into NJ on one of Irv’s very pretty routes with a short celebration of Irv’s birthday. Helmets are required; bring good attitude and group riding skills. Cancellation: High wind, forecast temperatures above 90°F (32°C), or 50% chance of precipitation. Call Maggie after 8 am if in doubt.

**Leaders:** John Zenkus, jz2116@aol.com, 917-617-0901; Hank Schiffman  
**From:** Grand Central Terminal, Information Booth

This was one of the more popular STS rides and is the year’s last chance for a long, hilly ride. Starting in Garrison, we will warm-up on 9W because once we turn on 301, the climbing begins with a long but rewarding climb gaining over 1,000 vertical feet. We then continue east for two more long climbs near the Connecticut state line prior to stopping in Pawling. The return is rolling and fast to Cold Spring. Meet at GCT around 7:30 AM to catch the 7:51 train. Metro North passes are a must, as well as the usual two water bottles, powers bars, money for lunch and a bike in good repair along with a mandatory helmet. Check bulletin board for updates if weather appears unfavorable.

**B15/16** 60 miles  7:30 am  Fall Foliage Ride Series: 4 Reservoirs and a Lake

**Leader:** Mark Gelles, mgelles@okcom.net  
**From:** Grand Central Terminal, Information Booth

Join us for the first of our fall foliage ride series on this beautifully scenic route. We wouldn’t ask you to take a train on both ends of a ride unless it was really worth it, and this ride is worth it! Expect lots of rolling hills, and several hard-packed, skinny-tire-navigable dirt roads. We’ll catch the 7:48 bike train from Grand Central to White Plains, and return on the bike train from Brewster North (aka Southeast). Train passes and smiles please.

**B18** 80 +/- miles  6:40 am  Eastern Connecticut Criterium

**Leader:** Jonathan Friedman, jm@friedman7@hotmail.com, 917-689-3641  
**From:** Grand Central Terminal, Information Booth

Will leave from the New Haven Metro North Station after the train arrives at 9am. This is a longer distance scenic and hilly ride through rustic and rural Connecticut. It is the same as the September 10 ride, but it remains for a longer time on the eastern side of the Connecticut River & we’ll cross back by the Ferry ($1 for cyclists). We will start and return to the New Haven railroad station. We’ll pass through Middletown, Lyme and Chatfield Hollow, with an anticipated lunch stop in Moodus. Some of these inland roads remind me of IU Willets on Long Island. We may stop for a pizza or something afterwards but please be sure to bring pocket food and plenty of water. Don’t forget your MTA rail pass. Round Trip ticket for New Haven costs $28. Fast pace (17-20mph) on the flats, faster on/after the downhill, slower on the uphills. Little opportunity for bailing, so expect compression stops & some waiting. Nasty weather cancels. Co-listed with 5bbc.

**Sunday, October 9, 2005**

**B19/18** 82 miles  9:15 am  Lambertville Covered Bridge Ride

**Leaders:** Kay Gunn, kaygunn@gmail.com, 646-491-0859; Michael Giannella, mgianella@gmail.com, 201-681-4535  
**From:** NJ Transit New Brunswick Train Station

Join us for ride No 3 of our Lambertville/New Hope series. We’ll pass by the Charles Lindbergh estate on the way to lunch in Lambertville. After lunch we’ll ride through New Jersey’s single remaining public access covered bridge, Green Sergeant’s Covered Bridge, which was built in 1750. We are limiting this ride to 8 train riders plus the co-leaders due to NJ Transit bike/train regulations. We will post driving & parking directions on the message board for anyone that wishes to drive in. Please RSVP to the leaders if you plan to attend. Take the 8:14 am NJ Transit NE corridor line from NY Penn Station towards Trenton, and exit at New Brunswick (arriving 9:07). We will meet outside the Dunkin Donuts that is in the train station. Please be sure to use the restrooms and fill your water bottles at the train station. The first pit stop is not until mile 24. We should be returning to the New Brunswick train station before 5pm for the trip home.

**C14** 50 miles  9:30 am  Park Ridge

**Leader:** Scott Wasserman, swiades@earthlink.net, 914-723-6607  
**From:** Central Park Boathouse

We’ll ride to this Bergen county town and eat at the well-known diner, unless the weather is so great that we feel compelled to eat outdoors. The ride ends at the NY side of the GW bridge.

**Saturday, October 15, 2005**

**A23/21** 85 miles  7:30 am  Putnam Pleasure

**Leaders:** John Zenkus, jz2116@aol.com, 917-617-0901; Michael Giannella, mgianella@gmail.com, 201-681-4535

The Hudson Valley Fall Foliage spectacular. Rain at start of ride cancels: check bulletin board if unsure.

Let's venture into Essex and Passaic Counties in NJ on one of Irv Weisman's very pretty routes through Branch Brook Park, Cherry Blossomland, and through the beautiful estates of the Montclairs to Little Falls – at the height of the fall colors. If we have the interest and time, we can go as far as the Paterson Falls (the Niagara of NJ). Lunch will be indoors or outdoors depending on weather. Bring money for the PATH train two ways. Helmets are required; also please bring group riding skills. Cancellation: Excessive wind conditions, expected temps below 40 degrees at the start, or 50% chance of precipitation. A23/21  100 mi  8 am  New Hope, PA

Leader: John Zenkus, jjz2116@aol.com, 917-617-0901

From: Penn Station

Follow the Fall by riding south and west of New York City to New Hope, PA (ish) from New Brunswick, NJ on what has become one of the club's more popular routes. While primarily flat to rolling, there is ample opportunity for "t'rouleurs" to stretch their legs on what mostly likely will be the year's last century ride. Interested riders contact your ride leader John Zenkus before the ride, as we will be using a combination of public and private transportation. Those taking public transportation, please meet at Penn Station 8:00 AM for the 8:14 train to New Brunswick. While a bike pass is not required, helmet, water, spare tubes and a pump are a must. If the weather appears doubtful, check the club's message board where the ride's status will be posted by 6:30am.

Leader: Gary McGraime, garynycycle@aol.com

From: Grand Central Terminal, Information Booth

Join us for one of our most beautiful club rides! We have routes at all levels (40, 55 and 65 miles) that take in the rustic shoreline and rural roads of Connecticut. Don't miss this one! Bring your Metro North Pass (or come early and buy one), money, water bottle, pocket food, appropriate apparel for the weather and a bungee or old tube to secure your bike on the train. Purchase an off peak round trip Metro North ticket to New Haven. Breakfast if you like and board the bar car of the 8:07 AM train 15 minutes early. You will receive maps, cue sheets and ride information on the train. Once we arrive in New Haven, you can join an A, B or C ride or go at your own pace to our usual picnic spot at Guilford Green. Be back at the station by 3:30 PM for the 3:53 train. Money will be collected (approx. $10.00) for Pepe's famous pizza and beverages, which will be delivered to the station for the train ride back to New York. We expect to arrive in GCT at 5:40 PM and will try to arrange group rides home from the terminal. There is no rain date. We have always gone riding, rain or shine. PS Feel free to decorate your helmet (helmet required) or bike with trappings for Halloween, if so inclined. Tricks and Treats are always welcome. Please note: Daylight Savings Time ends! Contact the ride co-ordinator, Gary McGraime with any questions.
Imagination required: If you are reading the print bulletin, a black and white reproduction of autumnal colors is as much use as brail on a ‘drive-in’ ATM machine, so you will just have to look at the web version too. If you like the colors and want to see them for real, you should go on this ride on Sunday October, 30th. Details below:

ENY 2005

Escape New York is one of the highlights on the New York Cycle Club’s calendar. And this year’s ride is a reminder of why. As Stan said in his message on page 2, this year’s edition was one of the best in its history. The weather played its part, although those who took part sweated buckets – riders and organisers alike. The pictures below depict what the ride was all about. So if you missed out this year, be sure to look out for it in 2006 and be out on the road with your NYCC buddies.

Please read this before your first club ride

NYC rides are led by volunteer leaders who plan the route and maintain the listed speed (e.g. B15 = B level at a 15 mph cruising speed — see charts). Our rides are described by pace and style because it's more fun when the group is of similar ability. We ride for fun, fitness, and food.

RIDE LEVEL indicates the type of riding. See chart (right). CRUISING SPEED indicates the ride's speed on flat terrain. AVERAGE RIDING SPEED is the ride's speed, this will vary plus or minus 1mph, according to terrain. OVERALL SPEED, including all rest and food stops, is about 3 mph less than average riding speed.

SELF-TEST: Assess your personal cruising speed by riding four laps (24.08 miles) around Central Park at a comfortable pace and timing your time with the chart. NOTE: Riding fewer than four laps will give you a false assessment.

YOUR FIRST NYC RIDE: Be conservative. Choose a ride easier and shorter than you think you can ultimately handle. You won't enjoy struggling to keep up with a ride that's too fast for you, nor will the group enjoy waiting for you. It's a good idea to call the leader a day or so before the ride, and introduce yourself when signing up at the start.

BEFORE ANY RIDE: Check that your bike is in good riding condition: brakes and derailleurs working well, tires pumped to the pressure specified on the sidewall. Eat a nutritious breakfast. BRING a spare tube, tire levers, patch kit, pump, water, snacks, money, medical ID, emergency phone numbers. We also suggest lock and railroad pass. Leaders may specify other items in their ride listings.

BIKE PASSES are always required on Metro-North and the LIRR. Bike passes good for both Metro-North and the LIRR are available at Window 27 at Grand Central or any window at Penn Station, or by calling (212) 499-4394 or (718) 558-8228 or by visiting http://www.mta.nyc.ny.us/lirr/pubs/bicycler.htm for a printable application form to mail in.

BIKE TRAINS: On Saturdays and Sundays, Metro-North has scheduled specific trains to and from Grand Central Station to accommodate large groups of cyclists. Bike trains are indicated by a bicycle symbol on the printed Metro-North timetables. Schedule changes frequently. Visit http://www.mta.nyc.ny.us/lirr for the latest schedule. Metro-North requires prior notice for large groups (16+) on scheduled Bike Trains and groups of three or more cyclists on a regular train. When submitting a ride involving train travel, please e-mail the latest schedule. Cross-training in the winter

Are you thinking about hanging your bike up for the winter? What happens to you when the candy and cookies start to make their office debut in December and that peer pressure to just say “no” is overridden? Will we hear you whimpering in February about how out of shape you are? If you attend tonight’s meeting and follow the expert advice on offer, you should still be in good shape come the spring. Our October program zeroes in on dedicating the coming cold season to enriching activity rather than sloth. Our presenter, Scott Cohen, wants everyone to look at winter as a golden opportunity and it all starts with planning and knowledge. Come listen and pick his brain on how to keep that athletic spark alive through a smooth transition to cross-training, strength training, spinning and more. Improve your flexibility and agility through Yoga or Pilates. The winter can prove enriching and revitalizing – it’s all a matter of perspective and now is the time to get oriented.

Scott Cohen is an Ironman Triathlete and President Emeritus of the NY Flyers. He has also coached individuals training for their first Marathon through the Arthritis Foundation’s Joints in Motion program. He is Director of the New York Road Runners BRIX classes.

There will also be a special presentation by Jack Remnert, president of the International Poster Center, who will tell us about a sizeable collection of rare vintage bicycle posters that will be auctioned off on Sunday, November 13th. He will also bring some valuable prizes.

Executive Board nominations continue at tonight’s meeting

The October meeting is sponsored by NYC Velo Inc, 64 2nd Avenue (between 3rd and 4th streets), New York, NY 10003 (212) 253-7771, info@nycvelo.com Open 7 days a week 11 AM to 8 PM, which will be offering free bike give aways, displaying cool bike stuff and be in attendance to schmooze and talk ‘bike’ during cocktails and dinner. Come and join us for the fun and the chance to win a free gift certificate.

Swap table: Bring bike-related items that you want to swap or sell. Price them, affix your name to them and see them on the road with somebody else.
