All in great shape, right?

I am writing this in the midst of our first winter storm – mid-February! But even with 12-14 inches of snow expected, it may be gone by next weekend, since temperatures are predicted to go into the upper 40’s or low 50’s later in the week; quite a change from last year when weeks went by without being able to get out on the bikes.

Since you’ve been riding every weekend this winter, you’re all in great shape to start the SIGs and STS rides, right? By the time you read this, the season will be upon us. And what a great season it’s going to be. We have the usual lineup of special weekends away, we’ll have All-Class rides and picnics, Newcomers rides, rides with other clubs, and of course, there’ll be a fabulous Escape New York Century in the fall. And that’s just the special stuff. We’ll continue to have regular club rides, but only if you volunteer to lead one. If you want to become a leader, but don’t know how to start, contact the Ride Co-ordinator for your level (see list on this page). He’ll put you in touch with an experienced ride leader so you can co-lead a ride or two and learn the ropes.

This year the Club is proud to sponsor a new SIG Scholarship Program for New York City young riders. We are accepting several young people, ages 16-22, into our C, B and A-19 SIGs. The Club will provide them each with a full kit (shorts, jersey, gloves, helmet, pump, water bottles), and each can earn a new bicycle by completing the SIG. We’ll be getting the bikes at cost from Fuji, and Re Cycle-a-Bicycle will assemble them. Congratulations and thanks to the SIG Scholarship committee for putting this together.

See you on the road.

Letter from the Editor

On pages 10, 11, 12 and 13 of this month’s NYCC Bulletin, you will find a reprint of the article on this year’s SIG program as it should have appeared in the hard copy of the February edition. Last month’s hard copy contained a pagination error, which meant that the first two pages of the article were not printed and, instead, two other pages were duplicated. I will spare you the details of how this happened, other than to say the error was mine. It was a victim of being worked on late at night and not being double-checked the following morning after the benefit of a night’s sleep. I apologise to those who took the time to write and submit the copy.

While we are on the subject of apologies, I also owe two apologies to ride leader Catherine Bent for screwing up her ride listings last month. I was guilty of two misdemeanors here: I changed the name of her ride because I didn’t understand it and did so without reference to Catherine; second, I listed a second ride for her on February 18th, even though Catherine indicated to me it was highly unlikely she would be able to commit to leading that ride. I could talk about tight deadlines and being up against it, but they do not excuse the fact I should have consulted her and respected her wishes with regard to the second ride. I am a great believer in admitting the errors of my ways, even though I would wish to lead a less erroneous life. Catherine is one of our highly-valued, volunteer ride leaders and without her there would be no NYCC. So Catherine, I’m sorry I screwed up. And I apologise to anyone who braved some chilly temperatures and turned up for the second ride.

A-SIG 50 miles 9am A-SIG Classic Ride #2: Park Ridge

Leaders: Timothy McCarthy, 718-204-7844; Reyna Franco, 212-580-5695

From: Central Park Boathouse, parking lot

Introduction to co-operative group riding

Get to the Boathouse parking lot 20 minutes early in order to sign in and divide into groups. Place your name on the back of your helmet (we need to know who you are coming and going). The purpose of today’s ride is to get some base mileage in, get to know each other and get comfortable riding as a group. We will also introduce the idea of pace lines and getting comfortable riding on each other's wheels. Your fearless leaders will give you guidance on everything from road etiquette (for your fellow cyclists as well as motorists who share the roads) to proper bike fit. We’ll cruise to the Montvale Diner in Park Ridge via 505 in small single-line groups, eat breakfast, and return to NYC on 501. Only one hill – leader’s choice: Churchill? Booth? Walnut? Please bring two full water bottles and some smiles. Helmets required. No aerobars. Rain date: Sunday, March 12.

A-19 SIG 42 miles 9:15 am A-19 SIG Ride #2: Northvale

From: Central Park Boathouse, parking lot

Group Riding
don’t take the tape off your helmet! Who let the dogs out? This week, all of us should be NYCC members. If not, you can use an application blank from the bulletin or sign up on line when you return from today’s ride. Now that we’ve all been training diligently, the differences between our performances are starting to diminish. We’ll pick up the pace just a smidge and cruise one of the classic routes to the fabled Northvale Diner as we hone the essentials of group riding. The speed will be just right to focus on safety, communication and basic bike handling skills. This is called, ‘Holding the juices in.’ No one will be dropped today. If you keep improving as much as you did last week, we may even try a non-rotating paceline today.

B16, 17 & 18 43/46 ± miles 9:30 am B-SIG Westwood, NJ

Leaders: David Hallerman, cycleman23@earthlink.net, 718-499-8171; Tonya Harroun, tharroun@aecom.yu.edu, 718-828-5309

From: Rambles Shed, Central Park

Class this morning is about bike handling skills: cornering, braking, & holding a line. After class we will do our first full ride, taking it easy as we journey to the diners of Westwood. We’ll practice the communication and bike handling skills we’ve learned over the last two weeks. Only one real hill – the infamous Churchill or Walnut – to get us back up the Palisades. Cancels: predicted/actual temperature below 25°F (-4°C); precipitation; wet/slick
From: East 72nd St. & Fifth Avenue, just inside Central Park entrance
See C-Sig March 11 for contact information and other details. Today is the last chance to do the self-classification ride to qualify for the C-Sig.

A-SIG 54 miles 9am  A-SIG Classic Ride #4: Nyack

Leaders: Marci Bloomstein, 917-570-7005; Mark Loftis, 212-866-5824
From: Central Park Boathouse, parking lot
Introduction to single, rotating pace lines

OK, yeah, you've been to Nyack — or have you? Have you been there in style? Have you shown up as a straggling, wobbly single rider or in tight, smoothly functioning group formation? And who can resist a latte at the Runcible? We've already had a taste of pace line riding from last week. This week, we will do more of the same, getting comfortable with it, however today we start rotating the lead. You are now getting to be a steady, smooth, predictable rider. We will ride out to Nyack on Rt 505 and eat breakfast at the Runcible or the Diner. We will return on W4 and really let the pace line rip. Get to the Boathouse parking lot by 8:30 to sign in, separate into groups and talk with your group leaders. Helmets required. Aero bars? Never heard of such things. Rain Date Sunday, March 26. Absolutely no new riders accepted today.

Saturday, March 18, 2006

A-SIG 60 miles 9am  A-SIG Classic Ride #3: White Plains

Leaders: Jason Winstanley, 212-928-6209; Jody Sayler, 212-799-8293; Marni Aaron, 917-613-8678
From: Central Park Boathouse, parking lot
Introduction to single, non-rotating paceline

Today we begin to build a beautiful working knowledge of Westchester — a favorite stomping ground of the A-Sig. We will head out through the Bronx on the Grand Concourse. Did you train during the week? If you didn't, don't bother coming out. Training during the week is critical to keeping up — and everyone will keep up. We will do more miles today. In addition, we will focus on riding in a single paceline, getting a taste of how cool it is to ride on someone's wheel, pulled along in a draft. Arrive at the boathouse 20 minutes early so we can get signed up and on the road promptly by 9:00 AM. Helmets with names on front and back are required. No aerobars. Rain date: Sunday March 19. DEADLINE: all registered A-SIG participants must be members of the NYCC. LAST CHANCE FOR NEW PARTICIPANTS TO JOIN THE A-SIG CLASSIC.

A-SIG 55± miles 9:15 am  A-SIG Ride #3: Mamaroneck

Leaders: Ed Fishkin, 917-578-1078; Richard Edmonds, 212-563-0405
From: Central Park Boathouse, parking lot
Single, non-rotating Paceline

NO NEW RIDERS MAY JOIN THE SIG TODAY. You are looking so fine! You all did so well last week, your leaders decided to try to advance the syllabus and rotate your paceline a bit. What you learned last week will evolve into a thing of elegance and beauty today. Advancing to rotating the paceline helps take advantage of the wind breaking effect of the front riders. This will enable us to keep the speed up and preserve our energy. You'll make short work of the well-paved road shoulders on a beautiful and elegant route scoped out by historic master ride leaders. On this ride, stragglers will have the chance to lead part of the ride, too. Cancels: predicted/actual temperature below 25°F (-4°C); precipitation; wet/slick roads; or high winds. You'll get the chance to lead part of the ride, too. Leaders will also decide recommendations for reassignment to the A-Class Sig or the B-Sig. The usual cancels.

B16, 17 & 18 53 & 58 +/- miles 9am  B-SIG Ridgewood, NJ

Leaders: Neil Botwinoff, botwinoff@ttanhelp.com, 212-535-7951; Fred Lef fel, fleffel@aol.com, 212-982-0253
From: Rambles Shed, Central Park
All the cobwebes are gone from our winter hibernation, so we're picking up the pace by 1 mph. Class today will be about shifting and gearing, and you'll need most of your gears on this pretty, but somewhat hilly ride west into New Jersey. The B16s will have a late lunch in Westwood after the climbs so bring pocket food. The B17s & B18s are duly warned that most of the hills are after lunch and one of our restaurant choices is considered the best pancake house in the tri-state area. NOTE THE EARLIER START TIME. You'll get the chance to lead part of the ride, too. Cansels: predicted/actual temperature below 25°F (-4°C); precipitation; wet/slick roads; or high winds. Check nycc.org bulletin board or call listed leaders if uncertain. If weather cancels ride we ride on Sunday.

C-SIG, Ride #1

Leaders: Patricia Janof, (212) 737-1668; cbernstein1@nyc.rr.com, 212-243-5182; Gary McGraime, garynycc@aol.com, 212-877-4257

Our first group ride. You should have been contacted prior to today with the results of your self-classification ride and what group you are in. Your ride leader will let you know starting place and time, what to bring and wear. Check NYCC Message Board after 7 AM if postponed until tomorrow because of weather. For the next eight weeks, we will ride all day, with stops for training and food. The C-Sig ride leaders have planned a great SIG for you!

B16, 17 & 18  55 & 60 ± miles  9am  B-SIG Mamaroneck

Leaders: Rick Braun, rbraun@courts.state.ny.us, 212-477-2575; Marjorie Shaffer, marjorie.shaffer@nyumc.org, 212-387-8347

From: Rambles Shed, Central Park

Our class will be about riding in traffic – skills we all need just to get to the start of our rides each week. And we’ll practice those skills as a group quite a bit today, especially on Route 1. But this is a pretty ride and, if the weather’s nice, we can picnic by the beach. (If not, we have a few indoor choices.) Canceels: predicted actual temperature below 25-degrees; raining or snowing; wet or slick roads; or steady winds above 40 mph. Check nycc.org bulletin board or call listed leaders if uncertain. And if weather cancels, we try again on Sunday.

Saturday, April 8, 2006

B16, 17 & 18  65 ± miles  9am  B-SIG Oyster Bay NY

Leaders: Linda Wintner, lwintner@metlife.com, 212-876-2798; Sandy Watanabe, san@inch.com, 212-995-2915

From: Queens, Statue Civic Virtue (E or F Subway, Union Turnpike/Kew Gardens stop)

Today we will learn the basics of paceline riding; our class will be at our early pit stop (6 miles). We’ll practice on the long, straight LIE Service Road both going out and coming back. This is a pretty ride through L.I.’s North Shore horse country. Bring your Metro Card, Train pass and pocket food, as it’s a long way to our lunch stop. If weather’s nice we can picnic by the Long Island Sound. Return via F train from 169th St. & Hillside Ave. NOTE QUEENS STARTING/ENDING LOCATIONS. Canceels: predicted actual temperature below 25-degrees; raining or snowing; wet or slick roads; or steady winds above 40 mph. Check nycc.org bulletin board or call listed leaders if uncertain. And if weather cancels, we try again on Sunday.

Wednesdays in March

A18  30± miles  7pm  Urban Adventure

Leaders: John Zenkus, jxz2116@aol.com, 917-617-0901

From: Central Park Boathouse

Meet 7pm every Wednesday for an ever-changing exploration of New York City and its environs. Depending on time of year, expect a two to three hour non-stop ride. Required will be some sort of fat-tire bike, good handling skills and a helmet. The route may include cobblestone, rough roads and occasional off-road – where we can find it. Lights are also required. While not fast-paced, those participating should be able to maintain 18mph flat speed riding a fat-tire bicycle. This is an all four-season ride. If weather is doubtful, check the message board. Post ride dinner is always an option.

Tuesdays and Thursdays in March

(from 14th onwards)

B17  18-24 mi  6:15 am  Morning laps in Central Park

Leader: Linda Wintner, lwintner@metlife.com, 212-876-2798

From: Engineer’s Gate, 90th St and East Drive

Please join me for training laps in the Park. We’ll concentrate on building up endurance, form, and good group riding etiquette. Maybe we’ll do hill repeats on Tuesdays. I’ll teach pacelining for people who don’t know how to do it. I’ve done these rides for several years and they’ve always been fun. Please check the weekly email listings and message board in case I need to cancel or change anything at the last minute (which I rarely do). I will change the start time to 5:45am in April. Canceels: precipitation or wet pavement or temperature below 25 at the start.

For those of you who, like me, have been hibernating lo these many months, I offer a regular series of training rides to get ourselves back into shape this spring. Starting on Sunday, March 19, weather permitting, you can start getting back your former, glorious condition with a 20-25 mile ride in Westchester, gaining in distance and speed each week until we go on one of the Bloomin’ Metric rides in the beautiful Connecticut countryside and seaside the Sunday before Memorial Day weekend. My goal is at least 50 miles and at least 13 mph, so we can go touring in the summer and fall with ease.

The series is intended for those who have already graduated from a SIG or riders who are experienced at club riding, so road etiquette will be observed and we will practice riding skills appropriate for C rides – riding straight lines, single file, signaling, spacing, smart use of gears, no pacelines, no jockeying. You don’t need to sign up in advance, but riders are expected to be prepared to do the rides as listed (ie pace and distance) and adhering to pace and riding etiquette is a must. If you are aiming to ride brevets, this is your chance to train with like-minded riders.

The series is modeled after the training series that Irv Weisman and I led for many years prior to the creation of the C SIG in the early 1990s. Therefore, and to maximize our enjoyment of the trees, flowers, lakes and streams, our routes will be inspired by Irv, on less traveled roads where possible. We’ll ride in Westchester and Connecticut, Bergen and Rockland, and Essex – the Great Annual Cherry Blossom Ride in April. To maximize the pretty scenery and minimize the drudgery of Manhattan riding, the rides will begin at the subway-accessible GW Bridge or Inwood in upper Manhattan, or the PATH. For further information, email: mclarke@hunter.cuny.edu and watch the bulletin for the rides.
It's not too early to think about spring. The NYCC 2005 Berkshires Weekend is only 4 months away. There’s 3-4 days of cycling through the beautiful country roads, farmland and of course the Berkshire Mountains. There'll be rides for cyclists at every level. And we’re returning to the Egremont CC for our windup dinner for only $30.00 a head! If you have any doubts, ask anyone who was with us in 2005.

It’s not too early to reserve a place to stay. Book your favorite B&B now! Please refer to NYCC.org and follow the links to Weekend Events and the Memorial Day weekend. There you will find links to local hostelries as well the Active.com form for registration for the NYCC Sunday night dinner. Since will again be distributing our information packet by e-mail, registration via Active.com is the easiest way to give us your E-mail address.

New routes and new ride leaders are always welcome. If you are familiar with the Sheffield/Great Barrington area and want to do either, let us know.

For further information, contact Berkshires@NYCC.org or call Fred Steinberg (212 787-5204). Up to date information will be posted on the club’s website (www.nycc.org) and weekly E-mailings.
A-Classic
This year the A-SIG celebrates its 20th Anniversary. Christy Guzzetta, the man who started it all those many years ago, will captain the program with the determination to make this year’s A-Classic SIG the best ever! Joining him is a select group of equally enthusiastic and experienced leaders.

The program features a series of 12 rides, each gradually building in distance and speed from the previous, leading up to a final 108 mile graduation ride to Bear Mountain and back. The leaders teach skills, focusing primarily on how to ride in groups (pacelines) with the aim of creating confident, skilled riders who navigate the challenges the road coughs up predictably and safely. Everyone needs to remain on the same page in training and skills in order to ensure the progress and safety of the group. Participants are expected to attend all sessions. No one with more than two unexcused absences will be permitted to continue. The A-SIG Classic does not accept new participants after the third week of the program. Graduates of the A-SIG Classic are expected to complete the graduation ride on May 20 (Rain date: May 21).

By the third week of the series, all participants must be members of the New York Cycle Club.

If you want to participate in the 2006 A-SIG Classic please pre-register on-line at www.nycc.org. Actual registration takes place on March 4. Pre-registering will help you avoid filling out lengthy forms on that day, and it helps us plan ahead.

The A-SIG Classic and A-19 SIG will hold a joint registration, orientation and first ride (different destinations) on Saturday, March 4, meeting at the Blessed Sacrament School cafeteria, on the north side of West 70th Street, between Broadway and Columbus Avenue. Registration starts at 8:30 am and Orientation begins promptly at 9:00 am. Bring your bicycle and be
prepared to ride. The A-SIG will allow for new participants in the first couple weeks. Contact the A-SIG Classic captain, Christy Guzzetta, for details.

A-19
Hold onto your helmets! Grab your water bottle! Are you ready to blast off into 2006 with what promises to be one of the most thrilling experiences of your life?

Do you want to feel exhilarated every Saturday afternoon? Are you prepared to embark upon a three-month journey that will challenge you physically and mentally? Are you ready for an intense camaraderie, born of the extremes of physical endurance matched to weather, unexplored terrain, the privation of Saturday-morning luxuries, and the shared objectives of ending up as an improved and confident cyclist? If so, maybe you’re the type of person we need to kick-off the sixth running of the A-19 SIG.

This program was carefully designed for serious riders interested in improving their cycling skills and physical capabilities. Each week, under the careful tutelage of our fantastic team of leaders, you’ll ride a little further, a little faster, and a lot more confidently, because you’ll be learning all the skills used regularly by A riders. You’ll also look incredible on your two-wheeled weapon of choice.

Rider and group safety are the focal points of this program at all times. You’ll become comfortable and expert at riding in single and double rotating pacelines, hill climbing, shifting, braking, and communicating while riding. You’ll learn how to train, eat, dress, and prepare for cycling success. You’ll become familiar with the essentials of bike maintenance and what to do in case of a crash or injury on the road. Your leaders will make you ready to enter the cycling season as a capable cyclist, ride leader, and an enthusiastic supporter of the NYCC.

Sounds a lot like the A-Classic SIG? Well it should. The leaders of the A-19 Sig are either seasoned A-Classic SIG leaders or graduates of one of the A SIG programs. Both A SIGs are coordinated and there is an opportunity to change groups during the first few weeks if you feel you made the wrong choice at the outset.

The main difference between the two programs is the target cruising speed. For the A-19 SIG, we aim to achieve a target flat-terrain cruising speed of 19 mph during the last few weeks of the program. Graduates of the venerable A-Classic SIG are expected to cruise at faster speeds.

What do you have to do to participate and graduate? There still is no such thing as a free lunch. We expect all participants to take this program very seriously. From
the first ride on March 5 to the graduation ride 11 weeks later, we own your Saturdays. You should attend all sessions. We expect you to be self-motivated and to train several times a week on your own or in small groups.

No one with more than two unexcused absences will be allowed to continue. Here’s the deal: everyone must become a member of the NYCC by the third week, sign up to lead two non-SIG rides, participate in the leadership seminar we offer and take our First Aid course. You are expected to be punctual, with your road bike ready to go. Mountain bikes are not encouraged; bikes with aero/tri bars and riders without helmets will not be permitted.

There will be a leisurely 30 miles ‘meet the leaders ride’ on a Saturday in February. You can shake the winter cobwebs from your knees and take the opportunity to ask your leaders about the program. Check the website for further details.

We will nurture you while beating you into shape. Some of you will love us; others will hate us, but all of you will thank us for the great experience that is the A-19 SIG.

If you have any questions, please contact one of the A-19 Sig Ocaptains: Ed Fishkin at (917) 578-1078 or Jim Galante at (201) 503-9192. We look forward to seeing you.

B-SIG
Do you want to jump-start your season? Want to learn good bike handling skills? Improve your stamina, strength, and speed? Get to know some of the great NYCC routes? Learn how to ride safely in a group. Work together with other riders to make any ride easier and more enjoyable? Then take a look at our 2006 B SIG Riders’ Guide (in the Rides/SIG/B-SIG section of club’s website nycc.org) and decide if you want to sign up for our 10-week progressive training & cycling skills series.

The B- SIG will consist of three speed categories:
• B16: will progress from a 14-mph pace and a 30-mile distance on the first day to a 16-mph pace and 70 miles by early May.
• B17: group will start at a 15-mph pace and 30 miles and work up to a 17-mph pace and 90-miles by early May, with the option of doing a century on our penultimate ride.
• B18: group will advance from a 16-mph pace and a 30-mile ride up to an 18-mph pace and 90 miles by early May with the option of doing a century on our penultimate ride.

Plus the B- SIG’s dirty little secret is that we also put extra emphasis on making friends and eating great food.

That’s it in a nutshell. If you want to participate after reading the 2006 B SIG Riders’ Guide follow the sign up instructions on page 4. Space may have to be limited, as last year we started with over 100 folks. Don’t procrastinate, preregister early. We will get back to you before it all starts on Saturday, March 4th. On that day meet at 9:20 AM at the north end of the boathouse parking lot. You will time yourself for four laps around the park, followed by an indoor orientation meeting at Blessed Sacrament School Cafeteria, on the north side of West 70th Street, between Broadway & Columbus Ave. Pizza will be served during the meeting, so please bring $ to cover cost of the lunch. In the event of rain on Saturday, we will hold our meeting at the School Cafeteria (1 PM) and try to ride on Sunday 9:20 AM.

C-SIG
Saturdays: mid-March to May 13
For beginners and uncertain intermediates who want to have fun
Maybe you haven’t been on a bicycle much since you were a kid. Or you’d like to do more than circle the park, but don’t know what to do about it.

Join a group of fun-loving riders for bicycle day trips that start small, but will eventually have you confidently doing 50 miles or more into the countryside and back in a day.

Yes, that’s you we’re talking to – and you can do it. Just wait until you actually manage your 65-mile graduation ride in May!

Join the C-SIG and learn:
• How to be a safer, stronger, more competent cyclist
• How to ride ‘street smart’ with a group or alone
• How to get up hills (even steep ones) without frying your lungs, busting your knees or tying your muscles into burning knots
• How to buy the right kind of bike for the riding you do and also make sure it fits
you – and then learn how to maintain it in peak condition once you own it
• Clever techniques for riding faster and farther with less effort
• Routes, maps, cue sheets and how to get the most out of them
• What to wear to keep you warm when it’s cold and comfortable when it’s hot and how to look remarkably cool in the process.
• Stretches and strength-training techniques to keep your cycling muscles flexible and strong
• Nutrition secrets of the bicycling pros.

This is the SIG that’s been called, “A college education in cycling.” And it’s completely, totally, blessedly FREE with NYCC membership.

All we ask is that you make a commitment to attend each week and be willing to learn from our instructors. You must also join the NYCC before the SIG series starts in mid-March.

We start March 11th or March 18th (you choose the day) at 9:30 AM with a mandatory 18-mile Self-Classification ride – three times around the park – that helps us place you in the right group so you can get the most out of the SIG. Then SIG training rides begin March 25 for 8 Saturdays, from about 9 am-5 pm (well, we eat lunch, too!). If bad weather cancels a Saturday ride, we ride on Sunday.

Pre-registration on the NYCC C-SIG web page is required (http://www.nyc.org). It gives us a head start on enrollment forms and lets us plan for the number of riders who will show up. The web page and this bulletin also have information about how to join the NYCC.

You are required to wear a bike helmet and bring a bike in good repair, with recently inflated tires, a spare tube that fits your tire and a water bottle. It’s cold in March! Wear gloves and layered clothing, topped by a windbreaker. Your knees should be covered. If it’s windy, wear a thin head warmer or ear warmer. Rain, wet roadways, or temperature below 35°F (2°C) postpones.

It’s not too soon to start preparing for the SIG. The best way to practice riding is to ride! Just be sure to dress warm and wear a helmet.

If you don’t know much about using your gears, start with your front and back gears in the middle positions. Practice shifting your back gears up and down and get used to how the pedals feel easier or harder to push as you change gears. Practice hill climbs by climbing hills! Get into your easier gears (less resistance on the pedals) when climbing and shift into higher gears (more resistance) when going down hills.

Use both brakes to slow and stop. On downhills, practice ‘feathering’ the brakes – gently squeezing, then releasing – so that you feel in control.

Indoors, you can build up your cycling muscles, too. At the gym, use the leg press, leg raise and hamstring curl machines. No gym? Try lunges and squats. Besides leg muscles, try pushups for shoulder and arm strength.

Lots of crunches or Pilates workouts will strengthen your abs and help prevent lower back pain. And while your muscles are warm, don’t forget to gently stretch them.

Be sure to read the Frequently Asked Questions link on the C-SIG web page, and look for more information in the March Bulletin.

Feel free to contact Patricia Janof (212) 737-1668 (patricia.janof@verizon.net) or Gary McGraime (212) 877 4257 (garynycc@aol.com) if you need further help.
NYCC RIDES are led by volunteer leaders who plan the route and maintain the listed speed (e.g. B15= B level at a15 mph cruising speed — see charts). Our rides are described by pace and style because it’s more fun when the group is of similar ability. We ride for fun, fitness, and food.

RIDE LEVEL indicates the type of riding. See chart (right). CRUISING SPEED indicates the ride’s speed on flat terrain. AVERAGE RIDING SPEED over rolling terrain is 3mph less than cruising speed. This will vary plus or minus 1mph, according to terrain. OVERALL SPEED, including all rest and food stops, is about 3 mph less than average riding speed.

SELF-TEST: Assess your personal cruising speed by riding four laps (24.08 miles) around Central Park at a comfortable pace and matching your time with the chart. NOTE: Riding fewer than four laps will give you a false assessment.

YOUR FIRST NYCC RIDE: Be conservative. Choose a ride easier and shorter than you think you can ultimately handle. You won’t enjoy struggling to keep up with a ride that’s too fast for you, nor will the group enjoy waiting for you. It’s a good idea to call the leader a day or so before the ride, and introduce yourself when signing up at the start.

BEFORE ANY RIDE: Check that your bike is in good riding condition: brakes and derailleurs working well, tires pumped to the pressure specified on the sidewall. Eat a nutritious breakfast. BRING a spare tube, tire levers, patch kit, pump, water, snacks, money, medical ID, emergency phone numbers. We also suggest lock and railroad pass. Leaders may specify other items in their ride listings.

BIKE TRAINS: On Saturdays and Sundays, Metro-North has scheduled specific trains to and from Grand Central Station to accommodate large groups of cyclists. Bike trains are indicated by a bicycle symbol on the printed Metro-North timetables. Schedules change frequently. Visit http://www.mta.nyc.ny.us/mnr for the latest schedule. MetroNorth requires prior notice for large groups (16+) on scheduled Bike Trains and groups of three or more cyclists on a regular train. When submitting a ride involving train travel, please e-mail details to our MetroNorth liaison, Hank Schiffman, at hschiffman1@nyc.rr.com and give him plenty of notice.
