Greetings and happy new year! My name is Jeff Terosky and it is my pleasure to write to you here for the first time as the NYCC President. I thought I’d start with a brief introduction of myself, and then in February I’ll introduce some of the goals that the board and I have set for the upcoming year.

I started riding with the Club shortly after moving to New York City in September of 2000. My first exposure to the NYCC was the spring 2001 A-19 SIG. I showed up for the SIG wearing sneakers and sweat pants on my ten year old mountain bike with fat tires and front suspension. After a fantastic experience with the SIG, a new found appreciation for spandex and narrow tires, and the mentorship of SIG and NYCC leaders like Ed Fishkin, Jim Galante, Herb Dershowitz, Mike Samuel, and Ray Thomas, I decided to get more involved with the NYCC as a member of the Terrier Tri team. I plan to do my first half-ironman distance triathlon this summer at Lake Winnipesaukee, NH – I hear the swim section of this triathalon is a bit more pleasant than the swim in the Hudson! As you can see, I have come a long way in the cycling world from the inexperienced guy in sweatpants on my mountain bike who started the SIG and I truly credit my involvement in the NYCC for my athletic successes.

In addition to my NYCC involvement, I also participated in racing for the CRCA for two years and was a founding member of the sub-team formerly known as Run Media. Recently, I started experimenting with triathloning and completed the Tour of the California Alps (aka the “Death Ride”), served the NYCC as A-Rides Coordinator in 2006, and taken a special interest in teaching bicycle handling skills to anyone who will listen!

NYCC Youth Program (STILL) NEEDS YOUR SUPPORT!

In addition to the very generous support from our own club, the NYCC Youth Program is asking for help to bring more young people into the sport of cycling. We are calling on you to support us financially so that we can continue this program for 2007 and for subsequent years.

Our mission is to help interested young people from the five boroughs of NYC enjoy the sport of cycling, and to create a foundation for their lifetime involvement in the sport. Your donation will help us provide each participant with a package of new bike clothing and gear, as well as the use of a new “entry level” road bike during the program. Completion of the training program allows each of the young participants the privilege of keeping the bike as their own. Cycling has had a positive impact on many of our lives; why not share this with a young person?

Some employers offer matching funds for causes their employees support; so, we encourage you to inquire about this at work.

To donate funds, please make your check payable to: “NYCC Youth Program” and mail to: New York Cycle Club, PO Box 4541, Grand Central Station, New York, NY 10163.

For more information contact us by email: jenniferthom70@hotmail.com and lynn.baruh@jwt.com

We will list the names of all donors who give $5 or more – unless asked not to – on the NYCC Youth Program section of the club website. Thanks for your support and we look forward to updating you on our – and especially the young men and women’s – progress!!

* Please note that as we await a ruling on the non-profit status of this program we suggest at this time that you consider your donation as not tax-deductible.

Thank You.

January ‘07 Club Meeting

Tuesday January 9, 2007
Emergency Roadside Repairs

Do you sometimes wish you had knowledge and confidence to perform roadside emergency bicycle repairs? At the January meeting our own Peter O’Reilly will be discussing what to do in case of a roadside emergency, what to have in your bike bag and how to use the tools. And the best part – you have all winter to practice these new skills in your living room while watching TV.

Peter O’Reilly is an accomplished NYCC cyclist and a bike “mechanic” par excellence. Over the past summer he successfully led a series of bike maintenance workshops.

New Menu that DOES NOT include Shipyard’s pie or chicken. Dessert.

Place: Annie Moore’s Pub and Restaurant (downstairs) 50 E. 43rd St. (west of GCT between Madison and Vanderbilt Aves.) Subway: 4/5/6/7 to 42nd St./GCT

Social hour and dinner 6–8pm Program runs from 8:00 to 9:15.
NYCC ride listings guide

NYCC rides are led by volunteer leaders. The leaders plan the route and maintain the listed speed. We list rides by level and cruising speed classifications in order to help members find rides in groups of similar ability. The pace and style of the different levels may vary, but rides all share the common objective of riding for fun, fitness and food.

Ride classifications All rides are classified according to level and cruising speed. The levels are as follows:

A Fast, vigorous riding with advanced bike handling and paceline skills required. Stops every 2 hours or so.
B Moderate to brisk riding with attention to scenery. Stops every hour or so.
C Leisurely to moderate riding at a gentle pace. Sightsseeing and destination oriented (a good introduction to the club). Stops every half-hour or so.

A number following a letter indicates the target cruising speed on flat roads: e.g. B15 = B level at a 15 mph cruising speed. Cruising speed indicates the ride’s speed on flat terrain. Average riding speed over rolling terrain is generally 3 mph less than cruising speed. This will vary plus or minus 1 mph, according to terrain. Overall speed, including all rest and food stops, is about 3 mph less than average riding speed.

Self-test Assess your cruising speed by timing yourself on a four-lap ride of the complete oval in Central Park (24.4 miles). Ride at a comfortable, sustainable pace. Fewer than four laps will give a false assessment. Find your time below and note the cruising speed.

A

Your first NYCC ride

Be conservative Choose a ride easier and shorter than you think you can ultimately handle. You won’t enjoy struggling to keep up with a ride that’s too fast for you, nor will the group enjoy waiting for you. It’s a good idea to call or email the leader a day or so before the ride and introduce yourself when signing up at the start.

Before any ride Check that your bike is in good riding condition: brakes and derailleurs working well, tires pumped to the pressure specified on the sidewall. Eat a breakfast consisting of carbohydrates and proteins.

Bring a spare tube or two, tire levers, patch kit, pump, water, snacks, money, medical ID, emergency phone numbers and rail pass. We also suggest that you bring a lock. Leaders may specify other items in their ride listings.

Lead a ride

Pick a date, pick a pace, pick a destination, pick a route, write it all up and submit to the appropriate ride coordinator (listed below) by the second Tuesday of the month before you want to lead your ride.

A-rides Terry Hildebrandt a-rides@nycc.org
B-rides Kay Gunn b-rides@nycc.org
C-rides Scott Wasserman c-rides@nycc.org

Lead enough rides during the year and you qualify for a special prize (given out in December):

3 rides = NYCC water bottle
6 or more rides = NYCC t-shirt
12 or more rides (1st time) = NYCC Ride Leader’s vest (you can’t buy one of these—you have to earn them).
12 or more rides (2nd time) = any club garment of your choice.

PLEASE NOTE Metro-North requires prior notice for large groups (16 or more) on scheduled Bike Trains (Bike Trains are indicated by a bicycle symbol on the printed Metro-North time-tables) and groups of three or more cyclists on a non-bike train. When you submit a ride involving Metro-North to a ride coordinator, at the same time shoot an email off to our trusty Metro-North liaison, Hank Schiffman, at hshiffman1@nyc.rr.com. He will manage all the details but he can not do it on a piecemeal, last minute basis.

Bicycles and trains

Bike trains On Saturdays and Sundays, MetroNorth has scheduled specific trains to/from Grand Central Station to accommodate large groups of cyclists. Bike trains are indicated by a bicycle symbol on the printed MetroNorth timetables. Schedules change frequently. There are no Bike Trains on holidays. Refer to the NYCC roster for restrictions which apply at other times.

Bike passes are always required. Bike passes are available at Window 27 at Grand Central or by calling (212) 499-4394 or (718) 558-8228 for an application. Also try www.mta.nyc.ny.us/lirr/pub/bicycelp.htm

Schedules Here are some commonly used departure and return times for weekends effective 1 October 2006 through 31 March 2007. Contact Metro North for the most current and complete schedules at: www.mta.nyc.ny.us/mnr

The goal of these weekly rides, which will continue to the end of February, is to get ready for the brevets of early spring, especially for those hoping to qualify for the Paris-Brest-Paris (PBP) event in August. For information on the PBP, see [http://www.rusa.org/pbp.html](http://www.rusa.org/pbp.html).

We will work on: group riding skills, speed intervals, time trials, brevet riding tactics, and practical matters; e.g. bringing your bike and other equipment.

We won’t be riding over 50 miles or over lots of hills because you can do these on your own. These are non-stop rides - no unnecessary stops. We’ll ride as a group at a single pace, and not at the individual’s own pace.

Temps below 32° F and precipitation cancel.

Fast training ride through Bergen and Rockland Counties with minimal stops and tight pacelines. Most of you know the drill by now.

I’ll probably be looking for more hills this month, so please be aware that if you are fast on the flats but lag behind on the rollers and inclines, this ride series may not be for you. Stops are for the pee break and mechanicals only. Temps below 23° F or precip cancels.

As you may have heard, snowshoeing is one of the fastest growing winter sports. It can be enjoyed at almost any level of fitness. Marilyn and I find snowshoeing to be a high-energy, aerobic sport, enjoyed in beautifully wooded, rolling-to-hilly terrain. And unlike cross-country or downhill skiing—or ice skating for that matter—you don’t need multi-hour car rides, groomed trails, lift tickets or skating rinks; if there’s snow, you can snowshoe virtually anywhere.

Here’s how the SIG works. To join, send an e-mail to nyccsnowshoe@att.net. Include your address and phone number. Each Thursday, you will receive an e-mail with the route, meeting place and time. To participate that week, simply e-mail back by 8:45 AM, and return to NYC around dusk.

What equipment will you need? That depends on your physical condition, how often you’ll be snowshoeing, and weather and snow conditions. We’ll send you a list of what we use under various conditions in response to your e-mail.

This week, we’ll head up to Nyack via a route that passes a few (hopefully not frozen) bodies of water. If you care, you should be home in time to catch at least the 4th quarter of the 1pm wild-card game.

This is a cooperative ride (but don’t worry, you can unleash on the bigger climbs), so if you’re not feeling cooperative, organize your own race . . . errr . . . I mean, ride. Be comfortable with rotating pacelines - since many of us will not have ridden together in the past, it won’t be particularly tight, but that’s fine. Here’s some good info on pacelines: [http://www.sceniccityvelo.com/content.php?id=1111](http://www.sceniccityvelo.com/content.php?id=1111)

There are no maps, so make sure you can
maintain the listed pace or have knowledge of the area. We'll have a few cue sheets available at the start point. You should also have a spare tube and pump/CO₂. Rain, wet roads or temps mid-30s or below cancel.

Keep an eye on the message board as the ride date approaches for updates.

From: Central Park Boathouse

If you’re thinking about joining the B-SIG this spring, or just want to learn about group riding techniques, or want get some group riding practice, join us. (This ride is not mandatory for the B-SIG.)

The leaders will introduce some group riding concepts before the ride starts. As we ride, you can expect some gentle coaching, and over lunch we can talk about the B-SIG’s goals, the skills training included, and the rides you’ll do, as well as general principles of safe group riding.

There are plenty of bail-outs on the way if the weather turns nasty (bring your Metro North train pass and a MetroCard).

Feel free to call or email the leaders with questions about the ride. We’ll stop for a checkpoint/bailout at the last subway stop before we leave the city if anyone appears to be having problems with the pace.

Bring plenty of water and some pocket food as our pit stops out and back have no water or snacks.

By the end of the day, we’ll be an impressive sight, riding together in a straight line, working together to navigate the road and the route.

Cancels: (1) precipitation or serious threat of precipitation, (2) wet or icy roads, or (3) high temperature forecast for the day below 35 degrees. If in doubt, check the Message Board one hour before the start or call one of the leaders. (Note: Linda won’t have access to emails or the Message Board after 6pm on Friday.)

Join us for a scenic, easy paced ride to Closter (aka Closer), New Jersey. Our destination will be Cafe Amoré for warmth, great sandwiches and the Best coffee and pastries. Feel free to ask any questions you may have on winter riding or preparing for the upcoming SIG season. Please check the message board the day of ride @ 7:00 AM to confirm the ride is not cancelled due to uncomfortable or hazardous weather conditions. Reminder: helmet required.

Pull out your parade permits, and hold onto your helmets, because we’re heading up to Harlem! What better way to celebrate MLK, whose birthday is January 15, then by meeting up in the park made famous by Critical Mass. We’ll kick off way before their ride begins, though, and head out on the Greenway for our own little Freedom Ride to Harlem: we loop around Sugar Hill (150 & Edgecomb), and head back downtown via Striver’s Row (138/139). We dine a la soul food, at Mamie’s Spoonbread Too (110 & Columbus). Predictably, this ride is recommended for the brave, hungry, and stout hearted only (a Guinness for all, at the end of the ride, at the Brewery at Union Sq.). Bring front and back lights, a horn or bell if you’ve got one, and an appetite.

Spring is just around the corner (!??), so let’s do a short, easy ride up to Scarsdale. Emphasis on easy. Lunch in town at a deli. Plenty of bailouts if the weather’s too much.

Temps below 40° or precipitation will cause us to sleep in instead. (Check the message board in the AM.)

January Club Event

---------------------
Saturday 27 Jan.
6:30-9pm
---------------------

Leisure Time Bowling, at Port Authority
625 8th Ave. South Wing, 2nd Flr.

$22 pp.
includes shoes.

It’s Saturday night and still January. Buuurrrrr. Haven't done much riding lately. But I don’t care how cold it is, I need to get some exercise and spend some time with friends. Here’s an idea, spend some time BOWLING with your friends, and future friends of nycc.

That means even if you’re new to the club and don’t know anyone you will by the end of the evening. You don’t have to be a great bowler or even a good one. You just need to “wanna have FUN”.

We’ve reserved lanes at: Leisure Time Bowling / Port Authority Bowling
625 8th Avenue South Wing, 2nd floor.

http://www.leisuretimebowl.com
(212) 268-6909.

For those who haven’t been, it’s an oasis in the middle of “metropolis” packed with action and life even in the winter.

Food & drinks are available. And yes, it’s cheap, at $22 per person including shoes. Yes, you may bring a friend if you’d like. After all it’s a “Hal party” [short for nycc special event].

Come out. Have fun. Don’t be a stick in the mud or couch potato for the winter.
