Ok; one day you get all of this fantastic NYCC news via the eWeekly, and the next week... poof! Nothing! You have been cut off! The NYCC is moving and shaking and we need your help to make 2007 our best year - yet. 2007 Member Registration is still open on Active.com. If you have not already renewed, please navigate on over to http://www.nycc.org/home_join.shtml and sign up. For $17 per year, it is the best bargain in New York (except of course for our $20 Club Meeting dinners, but that is another story.) Please remember, you must renew your membership in order to continue to receive the eWeekly and the password (which will change soon) for the Bulletin and Online Rides listings. Yes, we will as always have a grace period until at least March 1, but that is this week, so renew now so you do not have to worry about it!
March is here and the NYCC spring programs are upon us!

For all those who have spent the winter hibernating, the time has finally come to switch off Grey’s Anatomy, get off the sofa, and head outdoors on the bike. It is the beginning of our season and you should think of it like New Year’s two months later, a chance to start all over again. Even if you already tried two months ago to work out more and to eat less pizza, you get to try again, only this time with the added incentive of not wanting to be seen in only a thin layer of spandex as the weather warms if you don’t actually carry through with your resolutions!

The spring is also the time when I look to get the most from the NYCC… new energy, new rides, new friends, and new accomplishments. Every time I have set out in the spring with the NYCC I have not been disappointed. Even though I have ridden the A-19 SIG routes dozens of times, every year the rides are different. I look forward to meeting SIG participants every year; I like listening to their stories and adding a few more to their repertoires whenever possible. There is nothing more rewarding to me than bearing witness to the first time our SIGlets put it all together… zipping along in a tight pace-line at 19-20 mph, constantly rotating the lead, and somehow arriving at our destination faster but still fresher than they ever have before. Invariably someone proclaims as we pull in to our rest stop 30+ miles from the city, “We’re here ALREADY!?!?” That’s when I know that they’ve got it, and that they are now hooked like me!

As for the NYCC board, we are moving along too. We spent some time last month discussing our goals for the Club and for our individual positions, as well as the current NYCC youth program. Next order of business is getting the Berkshire Memorial Day weekend going and the 2007 Escape New York committee off of the ground. All along we are cognizant of the reason most people join the NYCC – for the rides.

We want to encourage people to participate and to lead NYCC rides. We were thrilled to attend the February club meeting as quickly realized that it would be standing room only and jam-packed with enthusiasm. We hope to see the rides calendar echo that enthusiasm.

I want to wish everyone a fantastic 2007 cycling season. I hope that you take this opportunity to make some goals for this season. Whether it be finishing the ENY century or metric century option, riding three times a week, following the Giro and climbing in the Dolomites in Italy, or leading your first NYCC ride. In the words of Patricia Moreno, one of my favorite fitness instructors, let’s make 2007 our best year – yet.

Hope to see you out on the road!  Jeff
Now that we’re heading into SIG, STS and spring riding generally, please remember to renew your membership in the Club for calendar year 2007. Your 2006 membership will expire in March. If you’re not yet a member, this message applies equally to new members. Please support the Club by renewing or joining now. It’s easy to do via the Club website. Just click on “Join the Club” and follow the active.com link for online registration. Membership fees are reasonable considering the many benefits which include taking advantage of our wonderful and diverse program of rides and training programs, receiving the Club bulletin, attending Club events and monthly meetings and benefitting from discounts offered by bike shops around the City. Please support the Club by renewing your membership or joining now. Please remember, you must renew your membership in order to continue to receive the eWeekly and the password (which will change soon) for the Bulletin and Online Rides listings. Yes, we will as always have a grace period until at least March 1, but that is this week, so renew now so you don’t have to worry about it!
NYCC ride listings guide

NYCC rides are led by volunteer leaders. The leaders plan the route and maintain the listed speed. We list rides by level and cruising speed classifications in order to help members find rides in groups of similar ability. The pace and style of the different levels may vary, but rides all share the common objective of riding for fun, fitness and food.

Ride classifications All rides are classified according to level and cruising speed. The levels are as follows:

- **A** Fast, vigorous riding with advanced bike handling and paceline skills required. Stops every 2 hours or so.
- **B** Moderate to brisk riding with attention to scenery. Stops every hour or so.
- **C** Leisurly to moderate riding at a gentle pace. Sightseeing and destination oriented (a good introduction to the club). Stops every 2 hours or so.

A number following a letter indicates the target cruising speed on flat roads: e.g. **B15** = B level at a 15 mph cruising speed. Cruising speed indicates the ride’s speed on flat terrain. Average riding speed over rolling terrain is generally 3 mph less than cruising speed. This will vary plus or minus 1 mph, according to terrain. Overall speed, including all rest and food stops, is about 3 mph less than average riding speed.

Self-test Assess your cruising speed by timing yourself on a four-lap ride of the complete oval in Central Park (24.4 miles). Ride at a comfortable, sustainable pace. Fewer than four laps will give a false assessment. Find your time below and note the cruising speed.

Your first NYCC ride

Be conservative Choose a ride easier and shorter than you think you can ultimately handle. You won’t enjoy struggling to keep up with a ride that’s too fast for you, nor will the group enjoy waiting for you. It’s a good idea to call or email the leader a day or so before the ride and introduce yourself when signing up at the start.

Before any ride Check that your bike is in good riding condition: brakes and derailleurs working well, tires pumped to the pressure specified on the sidewall. Eat a breakfast consisting of carbohydrates and proteins.

Bring a spare tube or two, tire levers, patch kit, pump, water, snacks, money, medical ID, emergency phone numbers and rail pass. We also suggest that you bring a lock. Leaders may specify other items in their ride listings.

Lead a ride

Pick a date, pick a pace, pick a destination, pick a route, write it all up and submit to the appropriate ride coordinator (listed below) by the second Tuesday of the month before you want to lead your ride.

A-rides Terry Hildebrandt a-rides@nycc.org

B-rides Kay Gunn b-rides@nycc.org

C-rides Scott Wasserman c-rides@nycc.org

Lead enough rides during the year and you qualify for a special prize (given out in December):

- 3 rides = NYCC water bottle
- 6 or more rides = NYCC t-shirt
- **12 or more rides** (1st time) = NYCC Ride Leader’s vest (you can’t buy one of these—you have to earn them).
- **12 or more rides** (2nd time) = any club garment of your choice.

PLEASE NOTE Metro-North requires prior notice for large groups (16 or more) on scheduled Bike Trains (Bike Trains are indicated by a bicycle symbol on the printed Metro-North time-tables) and groups of three or more cyclists on a non-bike train. When you submit a ride involving Metro-North to a ride coordinator, at the same time shoot an email off to our trusty Metro-North liaison, Hank Schiffman, at hshiffman1@nyc.rr.com. He will manage all the details but he can not do it on a piecemeal, last minute basis.

Bicycles and trains

**Bike trains** On Saturdays and Sundays, Metro-North has scheduled specific trains to/from Grand Central Station to accommodate large groups of cyclists. Bike trains are indicated by a bicycle symbol on the printed Metro-North timetables. Schedules change frequently. There are no Bike Trains on holidays. Refer to the NYCC roster for restrictions which apply at other times.

**Bike passes** are always required. Bike passes are available at Window 27 at Grand Central or by calling (212) 499-4394 or (718) 558-8228 for an application. Also try www.mta.nyc.ny.us/lirr/pub/bicycelp.htm

**Schedules** Here are some commonly used departure and return times for weekends effective 1 October 2006 through 31 March 2007. Contact Metro North for the most current and complete schedules at: www.mta.nyc.ny.us/mnr

Sundays

C/B/A 5-10mi 8:45 am
Snowshoe SIG - March 04, 11, 18
Leader: Marilyn & Ken Weissman, mollynina@yahoo.com, 212 222-5527
From: See below

Too cold to bike? Too windy? Hate riding when there may be ice? Don’t know what to do now that Sunday football is over? Join the NYCC Snowshoe SIG!

As you may have heard, snowshoeing is one of the fastest growing winter sports. It can be enjoyed at almost any level of fitness. Marilyn and I find snowshoeing to be a high-energy, aerobic sport, enjoyed in beautifully wooded, rolling-to-hilly terrain. And unlike cross-country or downhill skiing or ice skating for that matter—you don’t need multi-hour car rides, groomed trails, lift tickets or skating rinks; if there’s snow, you can snowshoe virtually anywhere.

Here’s how the SIG works. To join, send an e-mail to nyccsnowshoe@att.net. Include your address and phone number. Each Thursday, you’ll receive an e-mail with the route, meeting place and time. To participate that week, simply e-mail back by Friday evening, indicating you need a ride or can volunteer to carry other participants. More vehicles mean we can use linear as well as circular routes. Seat assignments are on a first come, first served basis, and sharing riders are expected to pay the driver’s gas, tolls, etc. Most outings will leave at 8:45 AM, and return to NYC around dusk. What equipment will you need? That depends on your physical condition, how often you’ll be snowshoeing, and weather and snow conditions. We’ll send you a list of what we use under various conditions in response to your e-mail.

Tuesdays and Thursdays

B17 18-24 6:15 am
Morning Laps in Central Park
March 06, 08, 13, 15, 20, 22, 27, 29
Leader: Linda Wintner, lwintner@metlife.com, 212 876-2798
From: Engineer’s Gate, 90th St. and East Drive

Please join me for training laps in the Park. We’ll concentrate on building up endurance, form, and good group riding etiquette. Maybe we’ll do hill repeats or interval training occasionally on Tuesdays. In the middle of the month, I’ll teach a rotating paceline for people who don’t know how to do it. (Please note that these rides will start at 5:45am in April.) I’ve done these rides for several years and they’ve always been fun. Please check the weekly email listing and message board in case I need to cancel or change anything at the last minute. Cancels: precipitation, imminent threat of precipitation, wet pavement, or temperature below 30° F at the start.

Wednesdays

A18 30-35 mi 6:15 am
The Sun Also Rises: River Road
March 21, 28
Leader: Kim Jenkins, kimjenkins@aol.com, 917 359-5736
From: NW corner of 40th and 2nd Avenue – or we will meet you on the way

We will make our way through Central Park to meet others and then head to River Road with a return the same way. We usually get to the NY side of the GWB at 7am and arrive at the NJ side around 8:30.

This ride is to motivate me and others to get on the road. Once we start rolling, we regroup at the Alpine police station and again at the NJ side of the GWB. Wet roads or temps below 32 cancel. Check the message board for last minute updates. Please RSVP.

Sundays

B17 95-100 7:30 am
Century-A-Month Club
March 18, 25
Leaders: Kay Gunn, kgunn@ndci.com, 646-509-5034; Skip Ralph, skiraph@ yahoo.com, 646-486-4422
From: Northeast of Lincoln Center and Riverside Drive

Join us every month for a 90-125 mile ride. Completing these rides will qualify you for the UMCA’s Year-Rounder Challenge Larry Schwartz award: http://www.ultracycling.com/standings/umc.html

Please RSVP to Kay. A simple headlight and taillight for each rider is required. Check the message board the day before the ride for route information and possible weather related changes. Both leaders are involved in a SIG, so if Sat SIG rides are moved to Sunday, this ride will be cancelled.

Leaders: Mark Loftis, mark646@yahoo.com, 212-866-5824; Sarah Tombaugh, sarah@tombaugh.com, 646-642-4244

From: Central Park Boathouse, parking lot

Introduction to cooperative group riding.

Get to the Boathouse parking lot 20 minutes early in order to sign in and divide into groups. Place your name on the front and back of your helmet (we need to know who you are coming and going!). The purpose of today’s ride is to get some base mileage in, to get to know each other and to get comfortable riding as a group. We will also introduce the idea of pace lines and getting comfortable riding on each other’s wheels. Your fearless leaders will give you guidance on everything from road etiquette (for your fellow cyclists as well as motorists) who share the roads) to proper bike fit.

We will cruise to the Montvale Diner in Park Ridge via 505 in small single-line groups. Eat breakfast, and return to NYC on 501. To make sure you have the correct information, you can get on the email list for cue sheets and details on the Nycc.org bulletin board or call the ride leaders.

**Parkridge**

Leader: Michael MacVeth, swrides@earthlink.net

From: Central Park Boathouse

We’ll ride to a popular Bergen county diner on what I hope will be ice/snow free roads. We should be back easily before dark despite missing the clock change by a day. The ride officially ends at the Manhattan side of the GWB.

**A19 SIG 45+- mi 9:00 am**

**A-19 SIG Ride #2: Northvale**

Leaders: A-19 SIG Leaders, -; Bob Mirelli, bobbnycc@aol.com, 917-868-7945; Laura Colby, laurac@elsieman.org, 917-859-9725

From: Central Park Boathouse

**Skill: Group Riding**

Don’t take the tape off your helmet! Who let the dogs out? This week, all of us should be NYCC members. If not, you can use an application blank from the bulletin or sign up on line when you return from today’s ride. Now that we’ve all been training diligently, the differences between our performances are starting to diminish. We’ll pick up the pace just a smidgen and cruise one of the classic routes to the fabled Northvale Diner as we hone the essentials of group riding. The speed will be just right to focus on safety, communication and basic bike handling skills. This is called, “holding the juices in.” No one will be dropped today. If you keep improving as much as you did last week, we may even try a non-rotating paceline today.

**A23 70 mi 9:00 am**

Although the STS A23 series is designed as a training vehicle for strong cyclists with paceline skills who ride it each Saturday, these rides are open to all comers who have the ability and skill to contribute to this group effort. Helmets are required. Please be sure you bike is mechanically sound and your tires are not an embarrassment. Carry fluids, pocket nutrition, cash and a means to inflate flat tires. If you ride with a cell phone, enter in the ride leaders’ cell #s listed on the cue sheets at The Boathouse. If you didn’t, don’t bother coming out. Training during the week is critical to keeping up—and everyone will keep up. We will do more miles today. In addition, we will focus on riding in a single paceline, getting a taste of how cool it is to ride on someone’s wheel, pulled along in a draft. Arrive at the boathouse 20 minutes early so we can get signed up and on the road promptly by 9:00 AM. Helmets with names on front and back are required. No aerobars. Rain date: Sunday March 18. DEADLINE: all registered A-SIG participants must be members of the NYCC. LAST CHANCE FOR NEW PARTICIPANTS TO JOIN THE A-SIG CLASSIC.

**B-SIG Scarsdale or Hartsdale NY**

**Leaders:** Donald Bear, donaldbear@mac.com; Kevin Broomell, kbroomell@nyc.rr.com

**From:** Ramble Shed (north of Boathouse on East Drive)

We’ll start with a class in spinning—an all-important skill that will save your knees as the years go by, and help you go faster now. Then head up into Westchester; the B16s to Scarsdale, the B17s & B18s to Hartsdale. There will be a few hills (not too daunting) to practice your spinning. Cancels: predicted actual temperature below 25-degrees; raining or snowing; wet or slick roads; or steady winds above 40 mph. Check nycc.org bulletin board or call listed leaders if uncertain. And if weather cancels, we try again on Sunday.

**C13 25-30 10:00 am**

**Mediocre President’s Day Weekend Ride**

**Leaders:** Ed Pino, epino@mac.com; Liz Baum

From: Statue of Civic Virtue, Queens Blvd & Union Tpke, Queens. Take the E or F train to the Union Tpke stop.

Join Ed and Liz for our ride to Fillmore’s for lunch. This will be an easy and flat ride of 25-30 miles through the borough of Queens. We will circle the globe and have lunch at a place with a pub-like atmosphere. Join us on this warm winter journey, for a trip and a great lunch at the end of the ride. Bring $ for a real lunch, and a bike lock. The restaurant is bike friendly with a great attitude. Co- listed with 5BBC.

**Pre-registration is required.**

You choose either date to ride. Three laps around the Park, at a steady, even pace to determine your strength and skill levels. Bring helmet, spare tube for tire, water bottle. You don’t need to bring a lock. Wear layered clothing, topped by a windbreaker. Cover your hands, ears & knees against the cold. Your bike must be in good working condition, with tires pumped within the last 2 days to recommended pressure. We’ll provide the help and the cheering section!

Rain, wet roadway or temp. below 35 degrees postpones. Check the NYCC Message Board after 7:00 AM or call by 8:30 AM if in doubt.

Leaders: Catherine Gibbons, cath.gibbons@verizon.net, 917-589-6001; Harry Zernike, hz@harryzernike.com, 917-324-5040

Introduction to single, rotating pace lines

OK, yeah, you’ve been to Nyack—or have you? Have you been there in style? Have you shown up as a straggling, wobbly single rider or in tight, smoothly functioning group formation? And who can resist a late at the Runcible? We’ve already had a taste of pace line riding from last week. This week, we do more of the same, getting comfortable with it, however today we start rotating the lead. You are now getting to be a steady, smooth, predictable rider. We will ride out to Nyack on R1 505 and eat breakfast at the Runcible or the Diner. We will return on 9W and really let the pace line rip. Get to the Boathouse parking lot by 8:30 to sign in, separate into groups and talk with your group leaders. Helmets required. Aero bars? Never heard of such things. Rain Date Sunday, March 25. Absolutely no new riders accepted today.

SKILL: Single-rotating Paceline
Who let the dogs out? You are all looking so fine. The pacelining we learned over the last few weeks will evolve into a thing of beauty today. We’ll advance to rotating paceline riding to take advantage of the wind breaking effect of the front riders. This will enable us to keep the speed up and preserve our energy. You won’t believe how your training pays off. If you continue on the steep learning curve you’ve demonstrated thus far, we may even try to rotate a few double pacelines today. This is the last week of our “no drop” policy and don’t even think about taking the tape off your helmet! If it fell off already, make a new one!

A23 80 mi 7:30 am
STS A23 Whippoorwill, Roaring Brook, Hardscrabble
Leaders: Hank Schifferman, hschifferman@nyc.rr.com, 212-529-9082; John Zenkus, jz2116@aol.com
From: Grand Central Terminal, Information Booth
The roads of Westchester open up to cycling north of White Plains. And that is where we are going. After the featured climbs we will do a counterclockwise loop of the Croton Reservoir, returning via 448/ 9 & Warburton.

We are taking the 7:48 train on the Harlem line. Buy a one way ticket to North White Plains.

Although the STS A23 series is designed as a training vehicle for strong cyclists with paceline skills who ride it each Saturday, these rides are open to all comers who have the ability and skill to contribute to this group effort. Helmets are required. Please be sure your bike is mechanically sound and your tires are not an embarrassment. Carry fluids, pocket nutrition, cash, to inflate flat tires and a Metro North Bike Pass. If you ride with a cell phone, enter in the ride leaders’ cell #s listed on the cue sheets while on the train. Please follow the NYCC Message Board prior to this ride as well as the morning of if uncertain about ride status due to weather.

More single, rotating paceline and introduction to double paceline
This ride is hilly! Did you train during the week? Maybe even do some hill repeats? You’ll be glad if you did! Phew! By now you’re comfortable riding in a single paceline. We will ride up to Tarrytown on Route 9—a great place to practice rotating the lead. We will then climb over a hill to the Thornwood Diner for lunch and then return via Grassy Sprain. On the way home, if you’re good (and we know you will be), we’ll introduce you to a double paceline (non-rotating), so you’ll be ahead of the game next week. You know the drill by now: Arrive early with name on helmet to get signed in and into your group. We leave at 9:00 on the dot. You’re getting to be a real A-rider now. Rain date: Sunday, April 1.

Our class will be about riding in traffic—skills we all need just to get to the start of our rides each week. And we’ll practice those skills as a group quite a bit today, especially on Route 1. But this is a pretty ride and, if the weather’s nice, we can picnic by the beach. (If not, we have a few indoor choices.) Cancels: predicted actual temperature below 25-degrees; raining or snowing; wet or slick roads; or steady winds above 40 mph. Check nycc.org bulletin board or call listed leaders if uncertain. And if weather cancels, we try again on Sunday.

**DREAMING HANNAH**

I dreamed of you last night
Driving, you in the back seat
Pointing go here, this way, that
Over a green meadow, hillocks
Trying to find
The right…

Is it too late
Are you already gone

No, you open your eyes in hollow:
Cheeked face
Shiny

You are still here
You look at me, accusingly, laugh
How could I let you go out in jade green bell bottoms
We can go back, get your jeans
A smile, it’s okay

Then we are there
Jeff, others are here
Reaching for you
To say
Goodbye.

After a heroic battle with ovarian cancer, our beautiful, courageous, spicy, long-limbed Hannah Wittich, girl’s girl and lone cyclist extraordinaire, passed on Saturday, February 10, surrounded by love. She is in our hearts now and forever.

Gandhi Indian Restaurant - East Village
345 East 6th Street (1st Ave)
212-255-7193  *RSVP by March, 19. BYOB

Shatter your conception on Indian Cuisine. For some reason when Indian food is paired
with the proper wine it truly changes one’s conception of the cuisine. We will start with
an assortment of appetizers, 2 sweet entrees, 2 curry entrees, then end with 2 spicy entrees.

Our resident food and wine expert Johnny Tastebuds recommends the following for
your BYOB selections:

**Appetizers** – Pinot Gris, White Rioja or Sauvignon Blanc. **Sweet course** – Prosecco or Moscato D’Asti; **Last 2 courses** – Côtes du Rhône, Barbera, or Pinot Noir.

If you’ve been to some of his events I need say no more. Just show up, eat, drink, talk,
laugh and have fun. The wait staff is very friendly and accommodating and Gandi
Restaurant will make us all feel like royalty. One of the beautiful things about Gandi
is Johnny Tastebuds has arranged BYOB status for our group. If each person brings a
bottle they’ll be plenty to share and plenty to enjoy. **And the cost for this wonderful, 4
course, dinner? $20.** The joy of spending and evening with your friends over good conversation,
bottles of wine and some chutney, priceless.

*The reason for the RSVP is simple. We need to know what part of the restaurant to reserve, as we will limit to 30 people, & the chef needs to have enough fresh ingredients. We get special pricing because of “who we are” and they want us to come back.*

For everyone else there’s TV. So mark your calendar, come and enjoy. Respond to:

New York Cycle Club
Board Meeting Minutes

January 2007

The meeting was called to order at 7. Board members in attendance were Jeff Terosky, Debbie Rothachild, Reggie Johnson, Ellen Jaffe, Kim Jenkins, Claudette Lajam, Neil Botwinoff, Kevin Ley, Kay Gunn, Terry Hildebrandt, Carol Waaser. Also attending, Annaline Dinkelmann representing our ad-hoc Advocacy Committee, Stan Oldak and Lynn Baruth from the Youth Program.

PRESIDENT’S REPORT

Jeff requested that each board member in future submit an initial report prior to each board meeting. A motion was passed that the President or, in his absence, both the Vice President of Rides and the Vice President of Programs be able to authorize expenditures of up to $100 that cannot wait for board approval. NYCC has effectively disassociated itself from Glen Goldstein’s Montauk ride. A notice to that effect will be inserted in the e-weekly. Peter O’Reilly, recipient of the Volunteer-of-the-Year award, sent a note of thanks to the board. Jeff is looking for input, soliciting ideas as to exactly what the club should be doing. This includes both baseline club activities such as weekly rides and club weekends, as well as new and refined thinking about club activities. For instance, should ENY be a charity event or simply a well-supported club event?

SECRETARY’S REPORT

December 2006 minutes approved as may be amended.

FINANCIAL REPORT

$1,000 in youth program account Presently we have: Money Market: $30,523.05. Checking: $6,007.30. Total: $37,530.35. Jeff is a signer on all accounts. Kim will look into wire transfer of funds from active.com. Kim needs an inventory of club jerseys, bottles, etc. Stan mentioned the club jersey archive that rests with Timothy for future inclusion on the website.

MEMBERSHIP REPORT

Active.com indicates there are currently 1871 active members. Since there were 2008 members at the end of 2006 and membership does not expire until March of 2007, the 1871 number is incorrect. Neil will look into it. Jeff suggests an FAQ page on the website to ease the burden of repetitive emails. New members will be listed in February starting in February.

IMMEDIATE PAST PRESIDENT

The board agreed there is not enough appeal to pursue a club weekend with Club Getaway.

VP OF PROGRAMS

The February 13 meeting will generally address all club activities and ways to be involved with the club. The SIC and STS programs will be highlighted. Carol will provide an overview followed by short SIC leader presentations. Question and answer will be handled via smaller break-out groups.

Claudette will investigate posting meeting announcements on Craig’s list and other such sites. Annaline made a point about narrow subjects drawing only a limited number of people. The club is carrying the extra $5 dinner surcharge for the better menu. The need for more program structure was discussed so that individual speakers do not ramble. Jeff suggested we change the table configuration, make bigger tables. The SIG graduation will likely be split over at least two meetings.

SPECIAL EVENTS

Bowling night is on January 27. It was agreed that the Woolworth Tower seems an excellent venue for the Volunteer Recognition Party.

YOUTH PROGRAM

Lynn gave a history of the program. Initially the idea was to enroll kids who already bike. The initial group of five were enthusiasts and found mostly through recycle-a-bicycle. Bikes and outfits were provided at a cost of $510 per candidate. Thought it was judged a success, the kids themselves said they would have preferred to ride with participants their own age. In 2007 the program hopes to include ten kids from a wider outreach. Some of last year’s participants will help out this year. The program is looking to improve the bikes at an additional cost of $200 per bike. It is hoped that the program can obtain 501(c)(3) tax status, allowing tax deductible donations. Stan estimates the 501(c)(3) papers will be submitted in March. The NYCC membership registration page on active.com offers the option of making a donation to the youth program at a minimum of a two dollar contribution. At this point donors should consider their contribution not to be tax deductible. The Youth Committee estimates a total of $7,100 will adequately fund this year’s youth program. This includes 10 better quality bicycles than last year’s. $5,000 was requested from the club ($4,000 after the $1,000 already given). The remainder of $2,100 will be made up by donations. A motion was passed to give $3,000 of a possible total of $4,000 to the program for this year. It is hoped that donations, foundations, sponsors will, over time, provide serious funding. Eventual program goal: to look for the kind of kids who do need the bikes, to make the program more needs-based.

RIDE REPORT

Reggie wants to develop a calendar of rides for the year. A perennial challenge of the club: how do we get more ride leaders? Kay suggested that we have a more formal ride leader program, that we develop a group of mentors. Carol suggested we develop a group of leaders in training who act as co-leaders. Reggie suggested some kind of reward for first time leaders; a pin or shout-out in the bulletin. Kay is working with the Ultra-Marathon Association. They will recognize the NYCC formally as a source of marathon rides as Kay is starting a Century-Of-The-Month ride with the help of Ellen and others.

PUBLIC RELATIONS REPORT

Claudette posed the question: what can we do to improve our relationship with such organiza-
