DON’T FORGET TO VOTE . . . 2009 NYCC BOARD OF DIRECTORS AND MEMBER AWARDS!  P. 6

NYCC HOLIDAY PARTY, DECEMBER 6!  P. 4
President’s Letter

It’s November . . . seems like the last time I looked at a calendar, the SIGs were just getting started. Hard to believe that another year is ending soon. They do seem to go faster as I get older. But before the year ends there are still some very important things remaining for NYCC members, as well as the public at large. We have some social responsibilities to take care of: We need to vote! And all NYCC’ers get to vote twice. That’s right, we get to vote twice. Of course, the two votes will not be in the same election; first, make sure to hit the polls on Tuesday, November 4th, and then, hit the club website and cast your ballots for the 2009 NYCC Board of Directors.

Once you’ve got those two things out of the way, take a few minutes to reflect on the year. I’m sure there are many things to be thankful for: a memorable cycling trip, individual achievements (like your first century ride), family, and friends.

Then, enjoy the Thanksgiving Holiday! Eat, drink and be merry! Of course, none of us need to be reminded not to eat too much (like that ever happens!), but if you do, find or list a ride on the weekend following the holiday. I know we won’t burn off all the extra calories, but it may relieve the “guilt” of overindulging.

(Continued on next page)
And last, I personally want to thank the entire club for a wonderful year. Thanks for listing rides, thanks for making this year’s Escape New York the best yet, thanks for being members!

By the way, I wonder what we’d be eating on the last Thursday of the month if Ben Franklin had his way and made the turkey America’s national symbol . . .

Be well, be safe and I’ll see you on the road.

George

Making a difference: NYCC Member Hal Eskenazi’s traffic experience

One day during the summer I decided to bike out to the Rockaway’s from Manhattan. On the way down Second Avenue in Manhattan to Flatbush Avenue in Brooklyn, I noticed, as usual, a number of cars in the bike lane. I also noticed, from time to time during the course of the ride, that Con Edison trucks were in the lane. It was clear they weren't there for repair because I could see they weren't set up for it. On my return trip I observed the same thing, coming up through Chinatown, Lafayette St., then Third Avenue: more than ten Con Ed trucks in the bike lane. I wondered if I could get them to end the practice and if so what kind of an impact would it have? I decided to take action.

I sent Con Ed's public relations department an e-mail. They responded almost immediately, asking me if I had the license plates. I didn’t, but I explained in my e-mail reply I wasn't looking to punish anyone. I said that what I was hoping to accomplish was to have Con Ed train their people regarding the issue in future. I pointed out that if someone is hurt or killed, and a Con Ed truck is nearby, the likelihood is that Con Ed would be named at fault.

After a number of e-mails back and forth, they assured me that it had been escalated upstream and Con Ed would institute such training. One person can make a difference.

ESCAPE NEW YORK: “See ya next year!”

NYCC’s ESCAPE NEW YORK ride, held in September, was the most successful ENY the club has had, with over 800 riders taking to the roads around New York on a beautiful late summer day. But don’t take our word for it, here’s what some participants had to say:

“I joined NYCC this year and this was my first ENY Century. Signage was great and pretty much made the cue sheet redundant. I had a blast!. Thanks for all the hard work.”
Daniel Labovitz
---------------------

“Two thumbs up! It was one of the best organized rides I've participated in this summer. The routes were well marked and the food at the rest-stops was plentiful, fresh, diversified and yummy. Enough energy drinks to keep us hydrated, and the music in one of the stops was a nice touch. It seems in every big organized ride this year there was something lacking, but Escape New York had everything, and in top quality. Well done!”
Adi
---------------------

“From the Starbucks at the start to the incredibly well marked routes, the superb friendly staff at the rest-stops (and not to mention the food): brilliant. Thanks so much for all your combined efforts that enabled my friends and I to have a great day.
See ya next year.”
Paul

NYCC ride listings guide

NYCC rides are led by volunteer leaders. The leaders plan the route and maintain the listed speed. We list rides by level and cruising speed classifications in order to help members find rides in groups of similar ability. The pace and style of the different levels may vary, but rides all share the common objective of riding for fun, fitness and food.

Ride classifications All rides are classified according to level and cruising speed. The levels are as follows:

- **A**: Fast, vigorous riding with advanced bike handling and paceline skills required. Stops every 2 hours or so.
- **B**: Moderate to brisk riding with attention to scenery. Stops every hour or so.
- **C**: Leisurly to moderate riding at a gentle pace. Sightseeing and destination oriented (a good introduction to the club). Stops every half-hour or so.

A number following a letter indicates the target cruising speed on flat roads: e.g. **B15** = B level at a 15 mph cruising speed.

Cruising speed indicates the ride’s speed on flat terrain. Average riding speed over rolling terrain is generally 3 mph less than cruising speed. This will vary plus or minus 1 mph, according to terrain. Overall speed, including all rest and food stops, is about 3 mph less than average riding speed.

Self-test Assess your cruising speed by timing yourself on a four-lap ride of the complete oval in Central Park (24.4 miles). Ride at a comfortable, sustainable pace. Fewer than four laps will give a false assessment. Find your time below and note the cruising speed.

Your first NYCC ride

Be conservative Choose a ride easier and shorter than you think you can ultimately handle. You won’t enjoy struggling to keep up with a ride that’s too fast for you, nor will the group enjoy waiting for you. It’s a good idea to call or email the leader a day or so before the ride and introduce yourself when signing up at the start.

Before any ride Check that your bike is in good riding condition: brakes and derailleurs working well, tires pumped to the pressure specified on the sidewall. Eat a breakfast consisting of carbohydrates and proteins.

Bring a spare tube or two, tire levers, patch kit, pump, water, snacks, money, medical ID, emergency phone numbers and rail pass. We also suggest that you bring a lock. Leaders may specify other items in their ride listings.

Lead a ride

Pick a date, pick a pace, pick a destination, pick a route, write it all up and submit to the appropriate ride coordinator (listed below) by the second Tuesday of the month before you want to lead your ride.

B-rides
Skip Ralph

C-rides

Lead enough rides during the year and you qualify for a special prize (given out in December):

- **3 rides** = NYCC water bottle
- **6 or more rides** = NYCC t-shirt
- **12 or more rides** (1st time) = NYCC Ride Leader’s vest (you can’t buy one of these—you have to earn them).
- **12 or more rides** (2nd time) = any club garment of your choice.

PLEASE NOTE Metro-North requires prior notice for large groups (16 or more) on scheduled Bike Trains (Bike Trains are indicated by a bicycle symbol on the printed Metro-North timetables) and groups of three or more cyclists on a non-bike train. When you submit a ride involving Metro-North to a ride coordinator, at the same time shoot an email off to our Trusty Metro-North liaison, Hank Schiffman, at hschiffman1@nyc.rr.com. He will manage all the details but he can not do it on a piecemeal, last minute basis.

Bicycles and trains

**Bike trains** On Saturdays and Sundays, MetroNorth has scheduled specific trains to/from Grand Central Station to accommodate large groups of cyclists. Bike trains are indicated by a bicycle symbol on the printed MetroNorth timetables. Schedules change frequently. There are no Bike Trains on holidays. Refer to the NYCC roster for restrictions which apply at other times.

**Bike passes** are always required. Bike passes are available at Window 27 at Grand Central or by calling (212) 499-4394 or (718) 558-8228 for an application. Also try www.mta.nyc.ny.us/lirr/pub/bicyclep.htm

Central Park Laps with Optional Silliness

Leader: Maggie Nguyen, mnguyen_va@yahoo.com, 212-729-7298

From: Central Park Boathouse

It's too cold and dark to get to the GWB for the original Monday River Road rides. Let's try out Central Park laps and see how it goes. We'll do as many laps as we can get in before the cars invade the park. Optional silliness may include, but not limited to, intervals and/or hill repeats.

RSVP (email or call) by Sunday night, 9pm. I'll wake up and meet you at Central Park only if I get 2 or more positive replies. Please check the message board on Sunday night around 10pm for cancellations (less than 2 RSVPs). Check the message board on Monday morning for weather related cancellations.

Please note the start time of 6:45am.

Leader: Ron Grossberg, arggee401@aol.com, 718-369-2413

Port Jervis, Take Two

Leaders: Kevin Cruickshank, kevin123@mac.com, 917-756-8345; Ron Gentile, gentilero@sullcrom.com; Charlie Collins, edcollins@sprynet.com

From: George Washington Bridge, NJ side bike path entrance

This ride was cancelled a couple weeks ago due to flu. With good health back, we'll try again to catch some of the remaining fall color on this scenic, hilly ride that goes through the Greenwood Lake area and black dirt farms of Orange County. The ride ends with a really nice decent into Port Jervis, where burgers & beer await. Optional excursion across the bridge into PA for a tri-state ride. Cooperate paceline with a regroup at the top of each of the three major climbs. Train ride back to NYC.

Come prepared. There are no bailouts. RSVP required.

A21-23  60 mi  10:00 am

Hogwich Series ’08-’09

Leader: Todd Brilliant, todthec3er@yahoo.com, 646-651-9760

From: George Washington Bridge, NJ side bike path entrance

The Hogwich rides are back for another fall and winter. What’s a hogwich ride? Beats me! But seriously, there’s nothing unique or mysterious about these rides. Basically, expect a cooperative and smooth paceline ride with one stop, usually in Nyack. Last year we made our stop at the Toga bike shop on 9W after
climbing Little Tor via Strawtown Rd. We may do something different this year.

Things you can expect on this ride: No maps or cuesheets, few turns, short bathroom break and a fast, steady pace.

Rain usually cancels ride. Cold usually doesn't. Check message board for updates.

**B16** 64 mi 8:45 am  
**Christmas Bazaar at St. Pauls**

Leader: Marty Wolf, 212-935-1460

From: Central Park Boathouse

The goal is to reach St. Paul's in New City before the best handmade ornaments and gifts are sold out. Church lunch of soup, sandwiches and home baked desserts - all very inexpensive. Bring a muzette bag or small backpack for your purchases. Note: We LEAVE at 8:45am sharp.

**B18** 75-80 mi 8:00 am  
**People's Choice Award Ride**

Leader: Maggie Nguyen, mnguyen_va@yahoo.com, 212-729-7298

From: Central Park Boathouse

After you vote for the President, it's time for you to pick your favorite ride of the summer season (or the one you missed and want to do this time around). It was a great summer riding season. Thanks for coming out to my rides. Hopefully I can keep up the rides in the fall/winter.

Your choices are (search the ride listings page for the dates listed for the original write up of each ride):

Goldilocks and the Three Bears (7/26/2008)  
80 miles. Bear Mountain via Sparrowbush and Seven Lakes Drive. We'll end the day in Cold Spring (bring your Metro North bike permit).

JPM Menage-a-trois - South Mountain Road (8/2/2008)  
80 miles. Route goes around South Mountain Road because when this ride originally took place, South Mountain Road was closed. Route includes Washington Avenue. If you remember this ride, we got lost and found this 18% hill. I'm keeping the lost route because I love hills.

Whip-poor-will (9/6/2008)  
75 miles. Whippoorwill, Roaring Brook's 18% hill, Hardscrabble.

All 3 rides are not for the easily intimidated. Please come early so we can sign in and have an on-time departure. Bring pocket food. Carb up the night before.

Rock the vote. Send me an email with your choice by Thursday noon. I will post the winning ride by Thursday night on the message board.

**B17** 80 mi 8:50 am  
**STL No. 4**

Leaders: Neile Weissman, soupstone-at-mindspring-dot-com; Michael Notaro

From: to be scheduled

A new series featuring eclectic routing; plenty hills; and good company. [Well, maybe two out the three.]

Check message board mid-week for ride details, updates and status.

RSVP with a cell phone if you're on. Ride will be held if three or more RSVP.

**C/B 14** 50 mi 7:45 am  
**Touring - R/T Darien to Fairfield, CT**

Leader: Marilyn & Ken Weissman, mollynina@yahoo.com, 212-222-5527

From: Grand Central Terminal, Information Booth

Buy RT tickets for 8:07 AM to Noroton Heights. A relatively-flat meander through several L.I. Sound-facing towns, this scenic touring ride takes advantage of relatively open terrain to facilitate the sun's warmth--assuming there's sun-- and combines a moderate pace with otherwise-B riding conditions. Ample warm-up options (coffee/hot chocolate) available along the route as well as many bail-out opportunities; we pretty-much parallel MN's New Haven route all the way.

30% chance of rain or expected day's high under 45F postpones ride until Sunday, November 16th.

It's too cold and dark to get to the GWB for the original Monday River Road rides. Let's try out Central Park laps and see how it goes. We'll do as many laps as we can get in before the cars invade the park. Optional silliness may include, but not limited to, intervals and/or hill repeats.

RSVP (email or call) by Sunday night, 9pm. I'll wake up and meet you at Central Park only if I get 2 or more positive replies. Please check the message board on Sunday night around 10pm for cancellations (less than 2 RSVPs). Check the message board on Monday morning for weather related cancellations.

Please note the start time of 6:45am.

The Hogwich rides are back for another fall and winter. What's a hogwich ride? Beats me! But seriously, there's nothing unique or mysterious about these rides. Basically, expect a cooperative and smooth paceline ride with one stop, usually in Nyack. Last year we made our stop at the Toga bike shop on 9W after climbing Little Tor via Strawtown Rd. We may do something different this year.

Things you can expect on this ride: No maps or cuesheets, few turns, short bathroom break and a fast, steady pace.

Rain usually cancels ride. Cold usually doesn't. Check message board for updates.

From: Eleanor Roosevelt statue, 72nd St and Riverside Drive

Specific destination will be determined by abilities and wishes of riders but will be in the general direction of quaint rivertowns of Piermont/Nyack. Routes may include Esplanade/Rio Vista, River Road, Clausland & Tallman Mountains, Bradley, Tweed, Christian Herald/Storms and/or the newly paved Smultimillion Orangetown railtrail. Some hills, but we will patiently wait for slower riders. Stunning scenery and riv vus guaranteed. A brief stop at a mini bike/touring museum may be included.

Jeff and George discussed some kind of recognition for the “best ride leaders,” one from A, one B and one C leader. Jeff said maybe a ride leader leaderboard on the Web site?

Carol, James and Dana to work on some ideas along these lines.

**Ingrid Wiegand – Public Relations**

Nothing special to report, except Ingrid noted it seems membership has been off this year.

James Englert – Webmaster

James said nothing special to report, except he'll be working on some web site display issues.

**Carol Krol – Content Co-editor**

NYCC Board Meeting Minutes

Tuesday, Sept. 9, 2008 - 6:30pm

**Neil Botwinoff's Office**

900 Third Avenue

In attendance were board members:

George Arcarola, Betsy Haftin, Hal Eskenazi, Skip Ralph, Ingrid Wiegand, James Englert, Jeff Ignall, Susan Niederman, Carol Krol

**George Arcarola - President**

ENY Status: George reports from Ellen that Escape New York registration has been going extremely well…. we’re at a record of 535 registered and still have a week of online registration potential left. Ellen forecasts maybe 600 registered riders and maybe a great deal more “day of” if the forecast looks good. Volunteer total is at 110.

Jerseys: Richard Rosenthal is working directly with Sugoi on some manufacturing issues that are currently being ironed out. George says Richard conveyed his confidence that he can work it out with Sugoi, but the jersey manufacturing has been delayed as a result. The current guesstimate is to have the jerseys in stock by mid to late November. Carol will work with Dana and James to post this update to membership (Web site and/or Eweekly).

**Betsy Haftin – A Rides Coordinator**

The number of A-Rides is down.

**Skip Ralph – B Rides Coordinator**

Number of B-Rides listed is also down.

**Susan Niederman – C Rides Coordinator**

Number of C-Rides similarly down. Susan says C – SIG had 64 graduates in 2008, and yet only 2 of them have led rides since then. C-SIG leader Paul Hoeffer had put together a “Guide for Leading Rides” which was distributed to the graduates.

Jeff theorized maybe the economy is having some affect on the commitment level for leading rides?

**From: Tramway Plaza SW Corner 2nd Ave/59th St.**

Annual sale of new bike stuff - books, posters, Christmas cards, postcards, ties, jewelry, mugs etc. - all with a bike motif. Bring train pass if you'd like to return by LIRR. Cue sheets provided should you wish to ride faster/slower than the advertised pace. If it's a rainy day and you have a car and want to drive out or should you wish to take the train to within five blocks of the sale, call leader.

NOTE: We'll leave on the dot of 9 AM from 2nd and 59th.

Leader: Mark Israel, misrael8@gmail.com, 917-715-1031

This is a ride with a twist! A cooperative forty (40) mile, non-stop, traverse of the Rockaway Peninsula capped off by a 5K run (or as much [or little] of a 5K run as you like) at the Forest Park/Victory Field track, with pizza and soft drinks at the end of it all. Cost for lunch (to be paid at the start of the ride) is $7. Please RSVP by Friday, 11/28 to misrael8@gmail.com so we can plan the food, or contact me with any questions. This is the companion ride to the A19/20 ride posted by George Arcarola. Bring your running shoes to the start as there will be someone to hold on to them until we return to the track. Bikes will be watched while we’re running. Requirements: two spare tubes (empty), two water bottles (full) and a smile. It’s a flat route and nearly impossible to get lost (cue sheet provided). Check message board night before for cancellation/postponement. If no message, we’re on.

content and display issues that have been discussed.

Carol apprised the board of the plan to offer 15-month membership (which was also cleared with membership director Neil Botwinoff) to ENY attendees on the day of the ride. Carol will man the membership sign up table at ENY and also sell water bottles. The board decided against any jersey sales. Jerseys are only available for sale to members. A proposal to take pre-orders for the new club jersey on the day of the event were also nixed. George put in his two cents of retail wisdom: he advises against selling products that we don’t have in hand yet.

**Jeff Ignall - Treasurer**

Jeff took $500 from the club checking account to make change for “day of” registrations.

Checking account total:

$31,476.88 +  4,616.61 Youth Program

ENY Registrations account for $12,460. Expenses for ENY so far around $8,900. So far, about 4K net from ENY.

George took $4,250 from the account for the new club jersey deposit to Sugoi.

In addition, Jeff says NYCC roughly broke even for Fourth of July/West Point Weekend.

**Hal Eskenazi – Events Coordinator and Program Manager**

Hal said he is behind on accounting, but roughly:

- Spent $1,400 on all-class ride.
- Yankees tickets sold out. Successful event.
- Tour de France socials: first one was overbooked. Second one, NYCC took a $50 deficit to take care of wait staff.
- August Blockhead’s event good despite rain, spent $40.
- Mets tickets sold out, with a waiting list.
- Holiday party will be December 6.
- September meeting is Paul Levine’s bike fit presentation. Members will have a chance to win a free bike fit. Ellen and George both want the mic that evening for some announcements and updates to attendees.
- October Meeting: Mark Merchant is scheduled to give “preventing injuries/what to do in the off-season” presentation. November: Program to be determined. December: Holiday party takes place of monthly meeting.

Hal also noted he thinks we are missing a lot of promotional opportunities. He wants more pictures that are submitted to be featured on the web site.

George suggested that Carol/James/Dana mock up something, a few sentences, that can go in the eWeekly and maybe on the site, that gives members clear direction on how to submit photos.

George said it might be great to write something up about that for the bulletin. Carol suggested Hal and Ingrid work together on writing a “One Person Can Make a Difference” type of article or essay.

**George Arcarola - President**

George wrapped the meeting by stating his intention to stand for re-election and asked the board members present to think about their own intentions. He said it would be fair to let the board know if you definitely DON’T want to run again so that the board can begin to recruit others. Board members were asked to let George know by next week’s club meeting (Tues., the 16th) either way.

That’s because the first nominations will occur at the September club meeting.

**Submitted By Neil Botwinoff:**

Membership as of August 30 was 1,631

Next BOD meeting: Tuesday, October 7, 2008 6:30PM at Neil Botwinoff’s office.
