NYCC SPRINTS INTO AUTUMN

"When the spirits are low, when the day appears dark, when work becomes monotonous, when hope hardly seems worth having, just mount a bicycle and go out for a spin down the road, without thought on anything but the ride you are taking."

-- Sir Arthur Conan Doyle

York Philharmonic, unless noted otherwise

I love to cycle in the fall. The crisp air and seasonal temperatures make me feel alive. The leaves are losing their summer green character and fall colors herald the approach of winter. (Downhill skiing and epic powder days approach!) I do believe that I bike faster in the fall because of my joyfulness but maybe I'm being practical because it's cooler and I want to stay warm! As Sir Arthur wrote, you don't need to be a brilliant Sherlock Holmes to appreciate "a spin down the road."

Eunice Martínez, NYCC Content Editor, has worked to make the 2010 monthly Club Bulletins interesting and informative. But she cannot do it alone. I encourage all of you to think of ways that you can contribute to the NYCC monthly Bulletin. Previous Club newsletters may be found on the website in the NYCC Archives located at: http://nycc.org/home_archive.php.

Listed below are updates of recent Club events.

SEPTEMBER CLUB MEETING

Selene Yeager, Bicycling magazine's "Fit Chick" columnist and accomplished world-class athlete spoke at the September 14th NYCC Club meeting. Over 100 enthusiastic cyclists attended and enjoyed an informative and fun evening listening to and asking questions of the Fit Chick. NYCC Membership Director, Crystiina Avram, emceed the evening's festivities.

Over 1,600 cyclists participated in the September 25th Escape New York event and enjoyed the wonderful weather as they bicycled through Rockland County, NY, and Bergen County, NJ.

Many thanks to ENY Director Ellen Jaffe, and the ENY Committee – Beth Bryson, John Kalish, Claudia Kulesh, Fred Leffel, Liane Montesa, Kate Mostkoff, Susi Pichler, Skip Ralph, and Alan Resnick – plus the over 200 NYCC members who volunteered in many different roles and capacities ranging from Route Marshals to Rest Stop Crew to Setup to Registration to SAG and other logistics.

VOLUNTEERS NEEDED

Step up and help the Board and the Club by volunteering your time. In particular, we need folks to write articles for the Club Bulletin.
