Message	FileField was trying to display the file <i>sites/default/files/cue-sheets/8574417.pdf</i> , but it does not exist.
Severity	warning
Hostname	65.109.67.82

The file 8574417.pdf is missing from the webserver folder sites/default/files/cue-sheets.

The nycc.org web developer put this file in it's place temporarily so as to stop the resulting error messages.

Please replace it with the appropriate cue-sheet file. Thank you.
